Barely Undercover Sarah Castille,2017-08-31 **A Catalogue of the Best Books in Every Department of Literature**
Burrows Brothers Company, Cleveland,1900 **At Love's Bidding (Ozark Mountain Romance Book #2)** Regina
Jennings,2015-11-24 Regina Jennings Is a Rising Voice in Humorous Historical Romance After helping her grandfather at
their Boston auction house Miranda Wimplegate discovers she s accidentally sold a powerful family s prized portrait to an
anonymous bidder Desperate to appease the furious family her grandfather tracks it to the Missouri Ozarks and makes an
outlandish offer to buy the local auction house if they promise not to sell anything until he arrives Upon their arrival however
they discover their new business doesn t deal in fine antiques but in livestock And its manager ruggedly handsome Wyatt
Ballentine is frustrated to discover his fussy new bosses don t know a thing about the business he s single handedly kept
afloat Faced with more cattle than they can count but no mysterious painting Miranda and Wyatt form an unlikely but
charged partnership to try and salvage a bad situation getting worse *The Elizabethan Top Ten* Emma Smith,2016-03-23
Engaging with histories of the book and of reading as well as with studies of material culture this volume explores popularity
in early modern English writings Is popular best described as a theoretical or an empirical category in this period How can
we account for the gap between modern canonicity and early modern print popularity How might we weight the evidence of
popularity from citations serial editions print runs reworkings or extant copies Is something that sells a lot always popular
even where the readership for print is only a small proportion of the population or does popular need to carry something of
its etymological sense of the public the people Four initial chapters sketch out the conceptual and evidential issues while the
second part of the book consists of ten short chapters a hit parade in which eminent scholars take a genre or a single
exemplar play romance sermon or almanac among other categories as a means to articulate more general issues Throughout
the aim is to unpack and interrogate assumptions about the popular and to decentre canonical narratives about for example
the sermons of Donne or Andrewes over Smith or the plays of Shakespeare over Mucedorus Revisiting Elizabethan literary
culture through the lenses of popularity this collection allows us to view the subject from an unfamiliar angle in which
almanacs are more popular than sonnets and proclamations more numerous than plays and in which authors familiar to us
are displaced by names now often forgotten
