Top Dog The Science Of Winning And Losing:

Top Dog Po Bronson, Ashley Merryman, 2013-02-19 New York Times Bestseller Po Bronson and Ashley Merryman's work changes the national dialogue Beyond their bestselling books you know them from commentary and features in the New York Times CNN NPR Time Newsweek Wired New York and more E mail Facebook and Twitter accounts are filled with demands to read their reporting such as How Not to Talk to Your Kids Creativity Crisis and Losing Is Good for You In Top Dog Bronson and Merryman again use their astonishing blend of science and storytelling to reveal what's truly in the heart of a champion The joy of victory and the character building agony of defeat Testosterone and the neuroscience of mistakes Why rivals motivate How home field advantage gets you a raise What teamwork really requires It's baseball the SAT sales contests and Linux How before da Vinci and FedEx were innovators first they were great competitors Olympians carry Top Dog in their gym bags It's in briefcases of Wall Street traders and Madison Avenue madmen Risk takers from Silicon Valley to Vegas race to implement its ideas as educators debate it in halls of academia Now see for yourself what this game changing talk is all about *Po Bronson-- Top Dog*, 2014 In Top Dog Po Bronson and co author Ashley Merryman use cutting edge science to tease out the hidden factors at the core of great triumphs and tragic failures The Commonwealth Club of California is the nation's oldest and largest public affairs forum bringing together its members for events on topics ranging across politics culture society and the economy *Sustain Your Game* Alan Stein, Jon Sternfeld, 2022-04-12 The Sports Librarian's Best of 2022 Sports Books Sustain Your Game is built upon a simple premise each of us will always be under construction a work in progress and constantly evolving The goal is to be moving toward our highest potential toward making a meaningful contribution and toward becoming the best version of ourselves Based on his years as a successful basketball performance coach having worked with and alongside superstars like Steph Curry Kevin Durant and Kobe Bryant and a keynote speaker to major companies like Pepsi and Amex Alan Stein Jr brings you the keys to lasting unimaginable success The secret Sustain Your Game teaches a timeline of short term to medium term to long term because we are always battling all three stress in the now stagnation in the present and burnout in the long term Part I PERFORM is about managing stress in the day to day short term Part II PIVOT is about avoiding stagnation in your current situation medium term Part III PREVAIL is about beating burnout and making a lasting impact long term This book is for high performers who want to learn practical strategies and action steps on how to sustain their game across all three timelines It assembles invaluable advice and lessons from successful athletes entrepreneurs social scientists journalists CEOs motivational speakers business coaches and consultants as well as Alan's own personal stories *Psyched Up* Daniel McGinn, 2017-06-06 Closing the sale Asking for a raise Nailing the big presentation Of the 2 000 hours you work every year your success or failure is determined in the couple of dozen crucial hours when you need to bring your absolute best Will you The last few minutes before a major challenge can be terrifying Ever wished you knew how to make sure you ace the make or break test audition or interview We often feel the

most powerless just before we're expected to act powerful. As you'll learn in this life-changing book, practice might make perfect, but perfection is useless if you can't summon it when it counts. Pulling off a great speech or the pivotal at-bat also requires the right kind of mental preparation. In *Psyched Up*, journalist Daniel McGinn dives into the latest psychological research and interviews athletes, soldiers, entertainers, and others who, despite years of practice and enviable track records, will ultimately be judged on their ability to deliver a solid performance when it's their turn to shine. For instance, he reveals how Jerry Seinfeld's jacket and Stephen Colbert's pen help them get laughs. What General Stanley McChrystal said to Special Forces before they entered the battlefield. Why the New England Patriots hired the DJ from the Red Sox to help them win. Among other counterintuitive insights, McGinn reveals why trying to calm your backstage jitters can be worse for your performance than channeling it into excitement, how meaningless rituals can do more to prepare you in the final moments than last-minute rehearsal, and how a prescription from your doctor could help you unleash your best skills. Whether you're a sportsperson or a salesperson, an actor or an entrepreneur, one bad hour can throw away months of hard work. There's so much conflicting popular advice that we often end up doing the wrong things. McGinn separates the facts from the old wives' tales and shares new research-driven strategies for activating your talent, optimizing your emotions, and getting psyched up to take the spotlight.

High Performance Habits Brendon Burchard, 2017-09-19. THESE HABITS WILL MAKE YOU EXTRAORDINARY. Twenty years ago, author Brendon Burchard became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most? After extensive original research and a decade as the world's leading high-performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits, and when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being, no matter your age, career strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. The art and science of how to do all this is what this book is about. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your sense of joy and confidence, the habits in this book will help you achieve it faster. Each of the six habits is illustrated by powerful vignettes, cutting-edge science, thought-provoking exercises, and real-world daily practices you can implement right

The Logic of Innovation Johanna Gibson,2016-03-03 The Logic of Innovation examines not merely the supposed problem of the efficacy and relevance of intellectual property and the nature of innovation and creativity in a digital environment but also the very circumstances of that inquiry itself Social life has itself become a sphere of production but how might that be understood within the cultural and structural transformation of creativity innovation and property Through a highly original interlocutory and therapeutic approach to the issues in play the author addresses the concepts of innovation and the digital by means of an investigation through literature and the imagination of new scenarios for language business and legal reform The book undertakes a complex inquiry into innovation

and property through the wonder of Alice's journeys in Wonderland and through the Looking glass The author presents a new theory of familiar production to account for the kinship that has emerged in both informal and commercial modes of innovation and foregrounds the value of use as crucial to the articulation of intellectual property within contemporary models of production and commercialization in the digital
