addition to arts specialists **Jewish Theology in Our Time** Bradley Shavit Artson, Rachel Sabath Beit-Halachmi, 2012-12 A powerful and challenging examination of what Jews believe today by a new generation's dynamic and innovative thinkers New in Paperback At every critical juncture in Jewish history Jews have understood a dynamic theology to be essential for a vital Jewish community This important collection sets the next stage of Jewish theological thought bringing together a cross section of interesting new voices from all movements in Judaism to inspire and stimulate discussion now and in the years to come Provocative and wide ranging these invigorating and creative insights from a new generation's thought leaders provide a coherent and inspiring picture of Jewish belief in our time The passionate voices of a new generation of Jewish thinkers continue the dialogue with God examining the dynamics of what Jews can believe today They explore A dynamic God in process The canon of Jewish literature and its potential to be both contemporary and authentic to tradition Critical terms and categories for discussing Jewish theology The ongoing nature of the Jewish search for God Ruptures within the modern Jewish condition And much more *The Lost Matriarch* Jerry Rabow, 2014-09-01 The Lost Matriarch offers a unique response to the sparse and puzzling biblical treatment of the matriarch Leah Although Leah is a major figure in the book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah hidden within the text Through Jerry Rabow's weaving of biblical text and midrash readers learn the lessons of the remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals Leah's full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many will be an exciting new method of personal Bible interpretation **Jewish Ethics and Halakhah for Our Time** Basil Herring, 1984 *A Bibliography of Jewish Education in the United States* Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education **The Wisdom of the Covenants and Their Relevance to Our Times** John Watt, 2019-01-05 This book began as an introduction to the Bible for educated people unfamiliar with it As public ethics in the United States began to fray it changed into focusing on the key values in biblical literature and the costs of disregarding them Biblical values were organized into systems known as covenants or testaments between human beings and the god Yahweh The covenants developed by Moses and Jesus are the

most important covenants in the Bible They are not the only ones but it is these two covenants that go most deeply into our survival or failure as individuals and as a species The last third of the book analyzes various aspects of public life today in the light of covenantal teaching and suggests ways to strengthen commitment to them The author's goal is to get this book into the hands of people who share his concerns and who would like to revive the influence of public ethics

The Sacred Exchange Mary L. Zamore, 2019-05-21 The newest addition to the CCAR Press Challenge and Change series this anthology creates a rich and varied discussion about ethics and money Our use of and relationship with money must reflect our religious values this book aims to start a comprehensive conversation about how Judaism can guide us in this multi faceted relationship

Joseph Alan T. Levenson, 2016-09-01 The complex and dramatic story of Joseph is the most sustained narrative in Genesis Many call it a literary masterpiece and a story of great depth that can be read on many levels In a lucid and engaging style Alan T Levenson brings the voices of Philo Josephus Midrash and medieval commentators as well as a wide range of modern scholars into dialogue about this complex biblical figure Levenson explores such questions as Why did Joseph's brothers hate him so What is achieved by Joseph's ups and downs on the path to extraordinary success Why didn't Joseph tell his father he was alive and ruling Egypt What was Joseph like as a husband and father Was Joseph just or cruel in testing his brothers characters Levenson deftly shows how an unbroken chain of interpretive traditions mainly literary but also artistic have added to the depth of this fascinating and unique character

Valued by God Sheri A. Bradley, 2024-06-28 In *Valued by God* Sheri A Bradley challenges the traditional constraints placed on women in the church arguing that these limits not only undermine women's God given talents but also hurt the church's mission This book is a clarion call for modern day churches to rethink and reconstruct their approach to women in ministry Bradley posits that by aligning with the value that God places on all individuals churches will not only move towards gender equality but will also discover a fuller expression of the Christian faith community Embracing a future where the diverse gifts of every person are not only recognized but celebrated will foster a more vibrant and dynamic body of Christ Through rigorous scholarship and passionate advocacy Bradley offers an invitation to a reformation of perspective that is rooted in biblical truth historical awareness and a heartfelt conviction that every believer regardless of gender is indeed valued by God
