Torn Jud Wilhite, 2011-08-16 When Every Why Goes Unanswered When our world comes crashing down it does more than steal our peace Something inside us tears We feel broken stranded torn We naturally ask the question Why when we're hurting But as pastor Jud Wilhite turned to the Bible in his own pain he was surprised to discover that another question matters more Who Who is worthy of our trust when our trust when our lives are in pieces You may be experiencing a time of such darkness that you wonder if you will ever find normal again or look toward the future with hope In **Torn** Jud explores your questions as well as God's answers and God's mysteries With a pastor's heart he looks with you at practical ways to fight for joy deal with anger and depression and make the million tiny decisions that add up to a life committed to God even when your heart is broken It's not about having better arguments for the purpose behind our suffering It's about our relationship with God a relationship that can flourish even when our whys go unanswered [A Faith of Our Own](#) Jonathan

Love & Sex Nancy Houston, 2018-02-05 So many couples struggle in their sexual lives because they divide sex and love Nancy Houston has written an excellent practical and very hopeful book on how to reintegrate the division Dr John Townsend New York Times bestselling author of *Boundaries* Without question one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston Amy Ford president of Embrace Grace and author of *A Bump in Life* Sex is powerful Just saying the word sex can stir up all kinds of emotions Maybe it's a positive emotion for you or possibly a hurtful shameful confusing one It's no wonder we struggle to understand its meaning and purpose It can be difficult to talk about and if we have experienced unwanted shame or grew up in a home where sex was taboo addressing the topic can be even

more difficult In a world of sexual chaos and confusion we all need a healthy dialogue on the topic not a black or white right or wrong lecture but a safe forum for discovering learning processing and growing into passionate intimacy within the freedom God provides In *Love Sex* Nancy Houston provides a compassionate view of human sexuality Through the lens of Scripture she unpacks the good God intended when He created humans as sexual creatures while recognizing that many people haven't experienced sex in a positive way You won't find a critical examination of dos and don'ts but stories of redemption grace and hope You will understand how you were shaped and that you are more than your sexual behaviors For some people sex is a regular part of life For others it's a huge deal Maybe even too big of a deal This book will be your roadmap to finding sexual health happiness and balance And if you are one of the few unscathed by sexual shame or confusion this book will help you develop a more compassionate lens for those who do struggle
