The American Police Novel Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or

the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

t know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist. The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism. The discoveries are from the historian Dr Rex Curry's work **2 NEW SWASTIKA DISCOVERY**. Vladimir Lenin's swastika is revealed herein. The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency. The swastika became a symbol of socialism under Lenin. Its influence upon Adolf Hitler is explained in this book. 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding. 4 There is no evidence that Hitler ever used the word swastika in his life. 5 The term swastika never appears in the original *Mein Kampf*. 6 Hitler and his supporters self-identified as socialists by the very word in voluminous speeches and writings. The term Socialist appears throughout Hitler's book *Mein Kampf* as a self-description by Hitler. 7 Hitler never called himself a Nazi. There was no Nazi Germany. There was no Nazi Party. Those terms are slang to hide how Hitler and his comrades self-identified **SOCIALIST**. 8 Hitler never called himself a Fascist. That term is misused to hide how Hitler and his comrades self-identified **SOCIALIST**. 9 The term Nazi isn't in *Mein Kampf* nor in *Triumph of the Will*. 10 The term Fascist never appears in *Mein Kampf* as a self-description by Hitler. 11 Soviet socialists and German socialists partnered for International Socialism in 1939. They launched WWII invading Poland together and continued onward from there killing millions. Soviet socialism had signed on for Hitler's Holocaust. 12 After Hitler's death, Stalin continued the plan he had made with Hitler for Global Socialism. Stalin took over the same areas that Hitler had captured. He used the same facilities that Hitler had used. Hitler's Holocaust never ended. Stalin replaced Hitler. 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag. The pledge was written by an American National Socialist named Francis Bellamy. Francis Bellamy was the cousin of Edward Bellamy, another infamous American National Socialist. They worked together to promote their dogma in the USA. 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly. 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy. 16 Mussolini was a long-time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as *fascio fasci* and *fascisti*. 17 Fascism came from a socialist, e.g., Mussolini. Communism came from a socialist, e.g., Marx. Fascism and Communism came from socialists. Hitler's political philosophy continues to be admired by modern politicians. Bernie Sanders self-identifies the same as Hitler **SOCIALIST**. Alexandria Ocasio Cortez self-identifies the same as Hitler too. They also admire Marx. Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists. Every election witnesses Americans struggling to bring Germany's past into the present. MSM polling reports that 70 percent of millennials say they would vote for a candidate who self-identifies the same as Hitler. 2019 YouGov poll. According to another report, 60 percent of Millennials age 24-39 support a complete change of our economic system. Hitler and Marx were anti-bourgeois and advocated revolution.

Many people long for the same revolutions The Deutschland s two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s lethal attraction to Marx and Hitler was huge compared to the USA s That is why the books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide
