

Grade 2 Paragraph Writing

The image displays three overlapping worksheet templates for paragraph writing, each with a 'Name:' and 'Date:' field at the top.

- Paragraph Structure:** This worksheet includes a diagram of a burger where the bun represents the topic sentence and the toppings represent details. It explains that paragraphs usually have at least two or three details that support the main idea. A box defines details as information that supports the topic sentence. Below, there is a prompt to complete a topic sentence: 'When I am older, I would like to _____' and a section to write three details to support it, numbered 1, 2, and 3.
- Arranging Text:** This worksheet instructs students to read sentences, cut them out, and decide the correct order to make a complete paragraph. It provides a large area with horizontal lines for students to write or paste their sentences.
- Paragraph Organizer:** This worksheet guides students through writing a paragraph. It includes a topic sentence line, followed by three lines for details labeled 'Detail #1', 'Detail #2', and 'Detail #3', and a final line for the concluding sentence.
