Want More Joy Brio Devotional:

Brio & Beyond, 2007 *Want More? Joy* Jeanette Hanscome, 2006 Teen girls wrestle with life's tough questions while juggling school activities and relationships with parents, friends and boys. They need assurance that God wants them to have more joy, more trust, more connection with him. *Want More Joy* takes them on a journey with God in which they learn to know him more deeply and trust him more fully. Here's honest talk, amazing stories, biblical truth, space for journaling questions to ponder and a prayer for each day. Girls will discover the real joy that comes from God who loves us without limit.

Closer Susie Shellenberger, 2006 *Closer* is a resource that encourages meaningful conversations about God and life issues relevant to both a mother and her teenage daughter. It uses the dynamic of conversation to promote healthy open and honest communication while creating a more intimate relationship with God. *Closer* helps mothers and daughters see each other as growing independent, valuable individuals of worth and helps develop their relationship beyond their family ties.

The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being: blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple. Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world-class scholars and Olympic champions. For example, when you watch the Olympics you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms, visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective full of freshness and success.
