Collins, 2023-11-14 I probably watch too much news read too many newspapers magazines and blogs and have too many conversations with people about politics. Often in my mind I consider myself better than politicians I may be better than some but not all of them. What I notice is that I make similar mistakes to those in charge. Because of this I'm willing to say I'm not perfect. And I have the experiences to prove it. Join me in a journey to tell people why I should not run for public office nor should I receive any write in votes in the next election. If you do opt for writing my name in on your ballot and are uncertain how ask for assistance from the helpful people at your voting location and write in my full name James E Collins. You may not change an election but maybe it will change your outlook knowing that you can vote for whom you want to not someone you are being told to vote for. As an afterthought please don't tell me about ending a sentence with a preposition. I tend to do that.
