J. West,2023-10-22 How would your life change if you inherited a vampire Find me Sarah When a handsome stranger whispers these three little words to Sarah Marcel she knows her life is forever changed For two weeks straight Sarah s been unable to eat sleep or even form a coherent thought properly She fears she s losing her mind until a chance encounter brings a man into her life who seems to hold the key to solving her problems With a single touch he s able to ease her troubled soul and bring her some much needed peace Yet just as Sarah believes she s found the solution to her dilemma he disappears As Sarah begins to unravel a mystery surrounding her family s past she quickly discovers her role in a world that s hidden from most humans Being a Marcel comes with certain responsibilities and there are some things that you can t hide from forever Another World: Romantic Devil King Xin SuiMengHan,2020-05-28 The main character of the Martial Arts Family who had been passed down through the world of swords and magic was now in a completely different world Since he was already here he might as well take things as they were A game in another world Our goal to travel to another world Take down the iron bucket and fill up the whole harem **Cin d'Rella and the Lonely Tower** S. J. West,2024-04-27 Ivy The life of a pirate is not the life for me With Alek holding me hostage this time I fear there will be no escaping my fate Just like Damon and Simon he wants me to help his people reverse the curse they re facing but I m not the only cure I have to convince Alek that the real cure lies within the Barrens where Margaret discovered the elixir Who knew my humanity would become my greatest gift and my worst nightmare Can Damon rescue me before Alek forces me to

become his mate for life Or will I be doomed to live on the high seas forever and never again see the one man who has captured my heart Damon There is nowhere Alek can take Ivy that I won t venture to It s not a matter of if I will get her back It s a matter of when She s the one person I can t live without and I ll be damned if I let some two bit pirate keep her away from me Once she s back home we ll venture into the Barrens together and find the fae With Vampir s help I m sure we can convince his people to provide us with more of the elixir After we have the cure Ivy will be free to live her life in whatever way she chooses I hope she chooses me because a life without her would be no life at all **Sentinel (Vampire Conclave, Book 2)** S. J. West, As Sarah and Julian begin their quest to uncover the truth surrounding his curse a new threat arises endangering not only their lives but the future they hope to build with one another In order to protect themselves and those they care about the most Julian and Sarah must use all of the resources at their disposal to neutralize their adversaries For Julian this means relying on his sister Mira and the Council of Elders in New Orleans to uphold the laws within the supernatural community there and mete out justice to those who disobey them Sarah must seek the assistance of the alfar who are more than happy to oblige the wishes of their future queen and ruler of House Moonshade As she begins to accept the responsibilities of her birthright Sarah s knowledge of the rivalries between the alfar houses grows revealing to her how tenuous peace is among them While Sarah delves deeper into their world she discovers just how far they re willing to go to serve and protect her Such loyalty brings into focus her duty to the alfar and the dreams she might have to abandon in order to live up to her heritage Torn between two worlds Sarah must decide whether or not she can have the best each has to offer or if she will have to choose between the man she loves and protecting the legacy of House Moonshade **Undeniable (Book 3, The Wolf Kings of Twilight)** S. J. West,2024-04-27 Ivy We all knew the Barrens would be difficult to travel through but I didn t expect our worst adversaries to be the fae Their trials to judge the worthiness of humanity have begun but what exactly are they testing Will we even know when one has started Dangers lurk around every corner Will everyone survive this misadventure Nothing is guaranteed to work in our favor especially when your fate is in the hands of the fae All I want is to live a peaceful life with Damon whether it s in Midnight or the real world Is that too much to ask Emily My family s future hinges on the talents of a disgraced geomancer and humanity s good judgment What could possibly go wrong With both Jack and Ivy trapped inside Earth 104 I pray the humans successfully complete their trials I will do whatever it takes to bring my loved ones into the real world even if that means marrying the dark fae king Oberon is my best chance to take leadership of all fae away from my father His sadistic reign has to be brought to an end for the sake of everyone fae and human He won t give up his power easily We ll have to play on his weakness his own arrogance Oberon protests that fate has brought us together and that he s the love I ve been waiting a lifetime for Can he help me push past my undying love for Mark once and for all It seems impossible In fact I fear it will take a miracle If Oberon and I can seize control of the crown away from my father I ll know that miracles can and do exist Conclave (Vampire Conclave, Book 3) S. J. West,2023-11-07
