War Boy Teaching Resources:

Educating Latino Boys David Campos,2012-12-04 Largely misunderstood and often underserved Latino boys miss key academic opportunities that prevent them from high achievement and success in school and beyond Educator David Campos a champion of higher education for Latino boys provides proven strategies to promote success for Latino boys [Resources in Education](#) ,2001-10

The SAGE Handbook of Gender and Education Christine Skelton,Becky Francis,Lisa Smulyan,2006-10-23 The Handbook of Gender and Education brings together leading scholars on gender and education to provide an up to date and broad ranging guide to the field It is a comprehensive overview of different theoretical positions on equity issues in schools The contributions cover all sectors of education from early years to higher education curriculum subjects methodological and theoretical perspectives and gender identities in education Each chapter reviews synthesises and provides a critical interrogation of key contemporary themes in education This approach ensures that the book will be an indispensable source of reference for a wide range of readers students academics and practitioners The first section of the Handbook Gender Theory and Methodology outlines the various feminist perspectives on researching and exploring gender and education The section critiques the notion of gender as a category in educational research and considers recent trends evident especially in the gender and underachievement debates to locate gender difference solely within biology This section provides the broad background upon which the issues and debates in the other sections can be situated Section two Gender and Education considers the differing ways in which gender has been shown to impact upon the opportunities and experiences of pupils students teachers and other adults in the different sectors of education It also includes a chapter on single sex schooling Section three Gender and School Subjects comprises chapters that cover gender issues within the teaching and learning of particular school subjects for example maths literacy and science It also includes topics such as sex education and assessment The chapters in section four Gender identity and educational sites address up to date issues which have a long history in terms of explorations into gender and educational opportunities More recent inclusions in the debates such as disability sexuality and masculinities are discussed alongside the more traditional concerns of race social class and femininities The final section Working in Schools and Colleges illuminates the working lives of teachers and academics The chapters cover such topics as school culture career progression and development and the gendered identities of professionals within educational institutions The contributors to this book have been selected by the editors as authorities in their specific area of gender and education and are drawn from the international scholarly community [Moving Beyond Personal Loss to Societal Grieving](#) Michelle M. Falter,Steven T. Bickmore,2018-11-23 Moving Beyond Personal Loss to Societal Grieving considers how secondary English language arts teachers and teacher educators can sensitively and thoughtfully teach pieces of literature in their classrooms in which large scale deaths are a significant if not central aspect of the texts As mass shootings and violence against black and brown bodies increase and issues such as AIDS war and genocide

remain important to discuss as part of a shared critical and social consciousness this book provides resources for educators to directly tackle and discuss these topics through the texts they read in their ELA classrooms Whether it is canonical or contemporary literature middle grades or young adult literature fiction nonfiction or graphic novels literature provides a vehicle to have these difficult but needed conversations about not only the personal but social effects of death and grief in our society Each chapter in this book focuses on 1 2 texts and provides practical activities that ask students to engage with death dying and loss through writing assignments projects activities and discussion prompts in order to build empathy understanding and develop critically minded and engaged students Moving Beyond Personal Loss to Societal Grieving will be of interest to English language arts teachers teacher educators librarians and scholars who wish to explore with their students the complex emotions that revolve around discussing deaths that occur in literature

Patriotic Pedagogy: How Karuta Game Cards Taught a Japanese War Generation Michaela Kelly,2021-10-25 During the Fifteen Year War Japan s little citizens were educated via a curriculum centering patriotic and militarist ideologies Patriotic Pedagogy How Karuta Game Cards Taught a Japanese War Generation explores karuta a poetry card game developed in this period as progressive early childhood pedagogy As karuta became popular as an educational toy educators and publishers soon noted

karuta's engaging physical play and short slogans and poems made them ideal for conveying patriotic ideals to children. Including reproductions of the images and translations of the poems, Kelly offers an analysis of the race, class, and gender ideologies the cards conveyed, suggesting that these seemingly innocuous children's toys were effective tools of a propagandist pedagogy. **Teacher Education: Professionalism, social justice and teacher education** David Hartley, Maurice Whitehead, 2006
