

War Wounded: Let the Healing Begin

Basil B. Clark

There is nothing Pollyanna-ish here.
Only testimony of simple faith and courage, practically applied.
That in itself makes War Wounded a valuable survival manual!

COMMUNICATION AND THE CHALLENGES OF COMMUNICATION: THE WAR FOR TRUTH Joseph Ngoma,2025-11-08 From the Garden of Eden to the digital age every major battle in human history has begun with one question Did God really say In a world overflowing with voices but starving for truth communication has become a battlefield Lies now sound like love Flattery replaces correction Prophets preach to please the crowd and the truth is silenced by the noise of deception In this prophetic and eye opening book Joseph Ngoma unveils the spiritual war raging behind human speech a war for words meaning and truth itself Through biblical revelation real spiritual insight and divine wisdom he exposes how the enemy has corrupted the sacred gift of communication to Distort God s message and divide His people Replace revelation with entertainment Turn conversation into confusion and silence into compromise From Eden s whisper to modern media this book reveals how words create worlds and how the enemy uses them to destroy lives But it also declares the victory of Jesus Christ who restores the voice of truth purifies communication and calls His people to speak with authority purity and power You will discover The spiritual origin of confusion and miscommunication How demonic deception operates through modern culture and language The power of repentance discernment and Spirit led communication How to reclaim your voice as a divine weapon in the war for truth This is not just a book it is a spiritual awakening a call to rebuild the bridge between Heaven and Earth through the purity of speech Let every page draw you closer to the voice of God until your tongue becomes His instrument and your words carry His fire You shall know the truth and the truth shall make you free John 8 32

CARPENTER'S SON Frank Paul Hill,2025-04-29 The Carpenter s Son By Frank Paul Hill Caleb Martin has spent years trying to forget his father Thomas the man who abandoned him and his mother leaving nothing but silence and unfinished woodwork in his wake But when Caleb returns to the family s old woodworking shop to mourn his mother s passing the ghosts of the past come rushing back Now in the midst of his grief a simple request from Father Michael a priest who knew both Caleb and his father forces Caleb to face the one thing he s spent his life avoiding forgiveness When Caleb discovers his father s long hidden letters filled with regret and painful confessions he is forced to reconsider everything he thought he knew about Thomas As he carves the Stations of the Cross his father left unfinished Caleb uncovers not only the legacy of a man shattered by war but also the emotional scars that tie his own fate to a history of unresolved pain As Caleb works he finds an unlikely ally in Sarah Rayburn Macall a woman fleeing an abusive past of her own Together they form an unexpected bond one forged in vulnerability and shared suffering With the guidance of a mysterious stranger Joshua Shepherd Caleb begins to see that healing is a craft not unlike the fine woodwork passed down through generations But when Caleb learns

that his father is still alive living in a VA hospital the call to confront the past becomes unavoidable In a powerful journey of redemption and self discovery Caleb must decide whether to let go of his anger and truly embrace the lesson his father failed to teach him that healing like art is shaped not by perfection but by the hands willing to do the hard work The Carpenter s Son is a moving tale of forgiveness legacy and the enduring power of grace Through raw emotion and the beauty of craftsmanship Caleb Martin discovers that the true art of life is learning how to love again despite the wounds we carry and the pain we inherit
