Ward Number Six And Other Stories:

Ward Number Six and Other Stories Anton Pavlovich Chekhov, 1998 Writing towards the close of the nineteenth century Chekhov himself a country doctor recorded in his fiction the symptoms of a diseased society The seven stories collected here are a bleakly savage indictment of a society paralysed by spiritual malaise and morbidly conscious of evils which can neither be killed nor cured This volume also contains an Introduction by Ronald Hingley *Ward No. 6 and Other Stories, 1892-1895* Anton Chekhov, 2002-05-30 These stories from the middle period of Chekhov's career show him exploring complex ambiguous and often extreme emotions Influenced by his own experiences as a doctor Ward No 6 set in a mental hospital is a savage indictment of the medical profession The Black Monk portraying an academic who has strange hallucinations explores ideas of genius and insanity in Murder religious fervour leads to violence while in The Student Chekhov's favourite story a young man recounts a tale from the gospels and undergoes a spiritual epiphany In all the stories collected here Chekhov's characters face madness alienation and frustration before they experience brief ephemeral moments of insight often earned at great cost where they confront the reality of their existence *Ward Number Six and Other Stories* Anton Pavlovich Chekhov, 1988-01-01 Taken from The Oxford Chekhov the stories in this collection include The Butterfly Ariadne A Dreary Story Neighbours An Anonymous Story and Doctor Startsev as well as the title story **Ward No. 6 and Other Stories** Anton Chekhov, 2006-12-01 This book contains a great selection of Chekhov's short stories The titled tale Ward No 6 is also a stunning success Chekhov describes pitiable characters and uses them to formulate subtle yet powerful satires of the less noble aspects of human nature such as egocentrism and sophistry He delves into the depth of his characters and explains the psychology in a deeply stirring manner *A Hero of Our Time* Mikhail Lermontov, 2013-04-11 After all that how you might wonder could one not become a fatalist Lermontov's hero Pechorin is a young army officer posted to the Caucasus where his adventures amorous and reckless do nothing to alleviate his boredom and cynicism World weary and self destructive Pechorin is alienated from those around him yet he is full of passion and romantic ardour sensitive as well as arrogant His complex contradictory character dominates A Hero of Our Time the first great Russian novel in which the intricate narrative unfolds episodically transporting the reader from the breathtaking terrain of the Caucasus to the genteel surroundings of spa resorts Told in an engaging yet pointedly ironic style the story expresses Lermontov's own estrangement from the stifling conventions of bourgeois society and the oppression of Russian autocracy but it also captures a longing for freedom through acts of love and bravery This new edition also includes Pushkin's Journey to Arzrum in which Pushkin describes his own experiences of Russia's military campaigns in the Caucasus and which provides a fascinating counterpoint to Lermontov's novel ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading

Selected Poems Du Bellay, Ronsard, 2023-07-11 Live now and listen do not wait in vain Until tomorrow pluck life's rose today Joachim du Bellay and Pierre de Ronsard are two of the major sixteenth century French poets and leaders of the extraordinary group known as *La Pléiade* Determined to create a national vernacular literature the *Pléiade* poets profited from an intense study of Greek and Roman models and from a creative use of classical mythology to produce a body of verse that reflects the vigour and variety of European Renaissance culture Du Bellay broke new ground with the gritty realism and resentment of the *Regrets* and with his meditation in the *Antiquities* on the rise and fall of the Roman Empire In a series of sonnet sequences *Cassandre* *Marie* *Astrée* *Helène* Ronsard developed the Petrarchan tradition of love poetry with a wider range of situations a richer imagery and more robust sensuality His reputation as France's greatest love poet should not however obscure his excellence in an astonishing variety of forms and genres such as elegies odes philosophical hymns and religious controversy Anthony Mortimer's verse translations cover this many faceted achievement in a version that functions as English poetry in its own right without departing from the letter and spirit of the original The French text is given on facing pages and a useful appendix contains extracts from seminal manifestos by the two poets A critical introduction a glossary of names and places and abundant notes encourage the reader to place the poems in their social and cultural context
