have to set their frustrations aside before it's too late This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings

Touch & Geaux Abigail Roux,2013-04-08 After having their faces plastered across the news during a high profile case FBI Special Agents Ty Grady and Zane Garrett have become more useful to the Bureau posing for photo ops than working undercover Just as Zane is beginning to consider retirement a viable option Ty receives a distress call from a friend leading them to a city rife with echoes from the past New Orleans wears its history on its streets and it's the one place Ty's face could get him killed Surrounded by trouble as soon as they land Ty and Zane are swiftly confronted with a past from which Ty can't hide one with a surprising connection to Zane's As threats close in from all directions both men must come to terms with the lives they've led and the lies they've told They soon discover that not all their secrets are out yet and nothing lasts forever

Fish & Chips Abigail Roux,2024-06-24 Their romance is entering rough waters After almost dying on their hiking trip Special Agents Ty Grady and Zane Garrett have a moratorium on the word vacation This makes it hard to discuss their newest case an undercover operation aboard a cruise ship in the Caribbean Their mission is to collect information by posing as Corbin and Del Porter a pair of wealthy international smugglers who also happen to be happily married It takes less acting than either man expects and not just because both smugglers are out and proud Del is a coddled trophy husband with a penchant for short shorts while Corbin is possessive and jealous happiest with cards in one hand and an expensive drink in the other As they settle into their roles the lines around what's pretend and what's real begin to blur Even undercover Corbin and Del have big problems They have an enemy aboard the ship though whether it's their criminal connections the authorities or some mysterious third party isn't clear No one on this ship trusts anyone else and if Ty and Zane can't change that they're going to end up dead This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings
