A Season of Shadows Paul McCusker, 2009-08-30 Love deception betrayal decisions duty and the truth How did things get so complicated The night before had been so ordinary as Julie Harris played the charming socialite at another of her husband's high society Washington parties But that morning Julie awoke to find herself a widow forced to deal with the scandal surrounding Stewart Harris's death and with the shocking unsuspected secrets of his life Now her search for the truth about her late husband has brought Julie to wartime London Posing as an aide at the U S embassy she sets out to fulfill her mission infiltrate a radical Fascist group a group with mysterious ties to her husband's past As Hitler's savage air blitz against London commences Julie finds herself swept into a whirlwind of clashing images of glittering parties set against the firestorm of night bombings and of treachery covered by a veneer of smiles and fair words In a world where nothing is as it seems and where the best of intentions can inspire the worst of actions whom can Julie trust One man may hold the answer and with it hope not only amid war torn London but in the face of Julie's private struggle

Life of a Teenager in Wartime London Duncan Leatherdale, Glennis Leatherdale, 2017-10-30 Life in wartime London evokes images of the Blitz of air raid shelters and rationing of billeted soldiers and evacuated children These are familiar collective memories of what life was like in wartime London yet there remains an often neglected area of our social history what was life like for teenagers and young people living in London during the Second World War While children were evacuated and many of their friends and family went to fight there were many who stayed at home despite the daily threat of air raids and invasion How did those left behind live work and play in the nation's capital between 1939 and 1945 Using the diary entries of nineteen year old trainee physiotherapist Glennis Bunty Leatherdale along with other contemporary accounts *Life of a Teenager in Wartime London* is a window into the life of a young person finding their way in the world It shows how young people can cope no matter the dangers they face be it from bombs or boys dances or death

The Split History of World War II Simon Rose, 2025-08-22 When World War I ended in 1918 it was called the war to end all wars But it wasn't Unsettled issues and resentments festered for the next 20 years culminating in the outbreak of war in Europe and Asia in the 1930s The Axis powers led by

Germany Italy and Japan joined to fight the Allies led by the U S the United Kingdom and the Soviet Union Both sides were determined to rule the world but only one can succeed C. S. Lewis & Mere Christianity Paul McCusker,2014-06-20 Mere Christianity is one of the best books of Christian apologetics ever written Arguably no book other than the Bible itself has had as much influence for the cause of the gospel over the past 60 years The story of how that message came to be created during the rigors of World War II in England is fascinating in and of itself But it also addresses a very important question How do we present the gospel effectively to a culture that has Christian foundations but has become largely secularized and ignorant of biblical truth C S Lewis Mere Christianity develops the circumstances of Lewis s life and the inner workings of the BBC It also goes into greater detail about life in the middle of war against Nazi Germany and Lewis s series of broadcasts that extended into 1944 Southampton's Children of the Blitz Andrew Bissell,2001 The author describes his book as being part investigative journalism part travel and part autobiography as a unique and thought provoking record of life in the county in the first decade of the 21st century **Liverpool's Children in the Second World War** Pamela Russell,2011-11-30 This is the untold story of Liverpool s children in the Second World War Whilst everyone is familiar with the tales of evacuees who were rushed out of the cities once the bombs started falling many of us are unaware that many stayed behind either by choice or necessity as the city of their childhood disintegrated and burned around them In the words of those who experienced the Liverpool Blitz first hand we hear of their adventures and misadventures the fun and games and ever present danger and the humor and sorrow of those wartime years This is an important and revealing look at the war as seen through the eyes of these children This book not only explores the memories of a childhood ravaged by war but also the formative effect this had on individuals lives It reflects the collective spirit of a city that refused to be crushed even at the darkest hours of the Luftwaffe s bombing campaign Ideal for anyone who lived through those times or who is fascinated by experiences and the legacy of the wartime generation this new title pays tribute to the war s forgotten children Déjà Hier N°2 Francis Elzingre,2013-12-08 Voici le num ro 2 de D j Hier le premier magazine pour tablettes num riques destination des collectionneurs Les sacs publicitaires vont vous emballer nous clairerons vos lanternes sur les Luxiolles Bonux et le Cin bana d couvrez Robert Opie un collectionneur hors normes et bien d autres surprises et si la lecture sur votre tablette vous donne mal la t te passez vous soulager la page Aspro *The British National Bibliography* Arthur James Wells,1995
