The Well-Beloved Thomas Hardy, 2016-01-04 PREFACE The peninsula carved by Time out of a single stone whereon most of the following scenes are laid has been for centuries immemorial the home of a curious and well nigh distinct people cherishing strange beliefs and singular customs now for the most part obsolescent Fancies like certain soft wooded plants which cannot bear the silent

inland frosts but thrive by the sea in the roughest of weather seem to grow up naturally here in particular amongst those natives who have no active concern in the labours of the Isle Hence it is a spot apt to generate a type of personage like the character imperfectly sketched in these pages a native of natives whom some may choose to call a fantast if they honour him with their consideration so far but whom others may see only as one that gave objective continuity and a name to a delicate dream which in a vaguer form is more or less common to all men and is by no means new to Platonic philosophers To those who know the rocky coign of England here depicted overlooking the great Channel Highway with all its suggestiveness and standing out so far into mid sea that touches of the Gulf Stream soften the air till February it is matter of surprise that the place has not been more frequently chosen as the retreat of artists and poets in search of inspiration for at least a month or two in the year the tempestuous rather than the fine seasons by preference To be sure one nook therein is the retreat at their country s expense of other geniuses from a distance but their presence is hardly discoverable Yet perhaps it is as well that the artistic visitors do not come or no more would be heard of little freehold houses being bought and sold there for a couple of hundred pounds built of solid stone and dating from the sixteenth century and earlier with mullions copings and corbels complete These transactions by the way are carried out and covenanted or were till lately in the parish church in the face of the congregation such being the ancient custom of the Isle
