The novel was first abridged by May Byron in 1915 with Barrie's permission and published under the title *Peter Pan and Wendy* the first time this form was used. This version was later illustrated by Mabel Lucie Attwell in 1921. In 1929 Barrie gave the copyright of the Peter Pan works to Great Ormond Street Hospital, a children's hospital in London. Sir James Matthew Barrie, 1st Baronet OM, 9 May 1860 – 19 June 1937, was a Scottish author and dramatist best remembered today as the creator of Peter Pan. The child of a family of small town weavers, he was educated in Scotland. He moved to London where he developed a career as a novelist and playwright. There he met the Llewelyn Davies boys who inspired him in writing about a baby boy who has magical adventures in Kensington Gardens included in *The Little White Bird*, then to write *Peter Pan* or *The Boy Who Wouldn't Grow Up*, a fairy play about this ageless boy and an ordinary girl named Wendy who have adventures in the fantasy setting of Neverland. This play quickly overshadowed his previous work and although he continued to write successfully, it became his best known work, credited with popularising the name Wendy, which was very uncommon previously. Barrie unofficially adopted the Davies boys following the deaths of their parents. Barrie was made a baronet by George V in 1913 and a member of the Order of Merit in 1922. Before his death, he gave the rights to the Peter Pan works to London's Great Ormond Street Hospital, which continues to benefit from them.
