*West Side Story*: Study Guide Questions

**1. What was the name of the two gangs that appear in the novel? What is each group's ethnic background? How is it connected to the gangs' names?**

1. The name of the two gangs that appear in the novel are the Sharks and Jets. The Sharks were Puerto Rican while the Jets were white. The Jets' ethnicity is connected to the gang name because, even though they are considered white, they are also immigrants, coming from Europe through different types of transportation (for example a jet). Jets are very luxurious and fly up in the sky, representing how they are superior. The Sharks' ethnicity is connected to their ethnicity because they are Puerto Rican, coming from an island. They're the fiercest around, are ready to attack, and defend their territory.

**2. Who was the leader of the Sharks?**

2. The leader of the Sharks was Bernardo.

**3. Which gang was more at fault or do you think that the blame fell equally on both?**

3. I think that the blame fell equally on both because they were both wrong for solving the problems through violence.

**4. Who was the leader of the Jets?**

4. The leader of the Jets was Riff.

**5. Who seemed to be the *other* leader of the Jets?**
