

WEST SIDE STORY

PRIMERA
ESCENA
DESCRIPCIÓN
GENERAL
PERSONAJES

**Sharks y Jets bailan y se pelean en la calle cuando aparecen los oficiales
Jets y Sharks, oficiales Shrank (Ale R) y Krupke (Fran)**

Teniente Shrank: ¡Basta! ¡Basta! ¿Cuántas veces debo decirles que dejen de pelear?
Jets: Buenos días, teniente Shrank. Buenos días, oficial Krupke.
Oficial Krupke: Dejen de hacerse los graciosos.
Teniente Shrank: Ey tú, ven aquí, si ven. Ahora vas a decirme cuál de estos Portorriqueños te lastimó
Action: Pues... Yo....
Riff: Disculpe señor, nosotros creemos que en realidad lo lastimó uno de sus policías.
Jets: Tiene razón.
Teniente Shrank: Eso es imposible
Bernardo: En América nada es imposible (Risas)
Teniente Shrank: Bueno graciosos, escúchenme bien todos. Ustedes no son dueños de estas calles, y no permitiré estos desórdenes.
si quieren matarse.
e. muy bien, pero no en mi distrito.
¿Entendido?
Bernardo: Sí señor. ¿Qué otro distrito nos recomienda?
Teniente Shrank: Saca a tus amigos de aquí Bernardo, y si se van de este vecindario... mejor.
Bernardo: Ya oyeron Sharks, vámonos
Teniente Shrank: (A los americanos) En este vecindario hay demasiada basura. Por lo tanto quiero que sean buenos con los portorriqueños a partir de ahora. Si los vuelvo a ver peleando, a la cárcel directos.
Oficial y Teniente: Adiós muchachos. (Salen los policías)
Griselda: Adiós muchachos.
Velma: A la cárcel. ¡Ay, no!
Minnie: No son dueños de estas calles.
Riff: Vengan tendremos reunión.
(Se acerca un niño (Nobodies))
Nobodies/niño: Riff, quiero ser de la pandilla. ¡Quiero unirme y pelear, voy a ser el mejor Jet!
Clark: Vete a casa, tu mamá te querrá dar tu lechita.
Nobodies/niño: ¡No soy un bebé!
Jets: sí, sí, ya vete de aquí nifito, fuera, largo
(Se va)
Riff: Escuchen hemos peleado por este sector y no dejaremos que nos lo quiten.
Jets: Claro que no
Riff: Otros han venido y han huido. Hemos podido echarles.
Action: Sí, pero estos son diferentes.
Minnie: Se multiplican como cucarachas.
Velma: Ya oyeron al Teniente Shrank, hay que ser buenos con los portorriqueños o a la cárcel.
Ice: ¿Y tenemos que dejar que nos quiten todo lo que nos pertenece?
Pauline: Pero los sharks también quieren ser los amos, será una pelea dura.
Rose: Tal vez escojan navajas o pistolas.
Riff: Debemos estar preparados ¿Qué opinan Jets?

West Side Story Script Act 2

Patrick Robertson

West Side Story Script Act 2:

A Place for Us Julia L. Foulkes, 2016-10-24 The making of the classic musical A fascinating read focusing equally on the show and the world into which it was born Choice From its 1957 Broadway debut to multiple revivals from the Oscar winning film to countless amateur productions West Side Story is nothing less than an American touchstone an updating of Shakespeare vividly realized in a rapidly changing postwar New York A lifelong fan of the show Julia Foulkes became interested in its history when she made an unexpected discovery scenes for the iconic film version were shot on the demolition site destined to become part of the Lincoln Center redevelopment area a crowning jewel of postwar urban renewal Foulkes interweaves the story of the creation of the musical and film with the remaking of the Upper West Side and the larger tale of New York's postwar aspirations Making unprecedented use of director and choreographer Jerome Robbins's revelatory papers she shows the crucial role played by the political commitments of Robbins and his collaborators Leonard Bernstein and Arthur Laurents Their determination to evoke life in New York as it was actually lived helped give West Side Story its unshakable sense of place even as it put forward a vision of a new vigorous determinedly multicultural American city Beautifully written and full of surprises for even the most dedicated West Side Story fan A Place for Us is a revelatory new exploration of an American classic

Leonard Bernstein: West Side Story Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre West Side Story has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating West Side Story including a discussion of Bernstein's sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself West Side Story is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of West Side Story in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying CD

West Side Story as Cinema Ernesto R. Acevedo-Muñoz, 2013-10-08 For millions of moviegoers unable to see the original stage version of West Side Story director Robert Wise's adaptation was a cinematic gift that brought a Broadway hit to a mass audience Ernesto Acevedo Muñoz argues

that Wise's film was not only hugely popular but that it was also an artistic triumph that marked an important departure in the history of American movie making. With a score by Leonard Bernstein and choreography by Jerome Robbins, this update of the Romeo and Juliet story remains one of the most revered and highly popular American movie musicals, with only *Singin' in the Rain* ranking higher in the AFI's list of the best of the genre. Acevedo Muoz draws on previously unreleased production documents from interoffice memos to annotations on the director's script to go beyond publicity accounts and provide an inside look at this critically acclaimed film classic, offering details of its filming that have never before been published. From location scouting to scripting to casting to filming, Acevedo Muoz focuses on little-known details of the actual production. He provides close analyses of dramatic sequences and musical numbers, emphasizing the film's technical innovations and its visual and aural coding as a means for defining character and theme. He carefully explains the differences between Broadway and film versions, exposing censorship and creative issues that the filmmakers were forced to confront. And taking readers behind the cameras, he highlights the creative differences and financial difficulties that led to the departure of Robbins, who had conceived and directed the stage version long before filming was complete. Acevedo Muoz makes a strong case for the film's daring vision in combining music, dance, dialogue, and visual elements, especially color, in highly creative ways, while also addressing the social, racial, and class tensions of American society. Drawing on his own Puerto Rican heritage, he provides a Hispanic perspective on the cultural aspects of the story and explores the ways in which the film's portrayal of Puerto Rican identity is neither as transparent nor as negative as some critics have charged. Bursting with facts, insights, and inside stories, this book boasts a wealth of material that has never been explored before in print. Both history and homage, it is a must for scholar and buff alike.

West Side Story, Gypsy, and the Art of Broadway Orchestration Paul Laird, 2021-11-18. In this ground-breaking study, Paul Laird examines the process and effect of orchestration in *West Side Story* and *Gypsy*, two musicals that were among the most significant Broadway shows of the 1950s and remain important in the modern repertory. Drawing on extensive archival research with original manuscripts, Laird provides a detailed account of the process of orchestration for these musicals and their context in the history of Broadway orchestration. He argues that the orchestration plays a vital role in the characterization and plot development in each major musical number, opening a new avenue for analysis that deepens our understanding of the musical as an art form. The orchestration of the score in Broadway musicals deeply shapes their final soundscapes, but only recently has it begun to receive real attention. Linked by a shared orchestrator in other ways, *West Side Story* and *Gypsy* offer a study in contrasts. Breaking down how the two composers, Leonard Bernstein and Jules Styne, collaborated with orchestrators Sid Ramin, Irwin Kostal, and Robert Ginzler, Laird's study enables us to better understand both of these two iconic shows and the importance of orchestration within musical theatre in general.

Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v New York Public Library. Research Libraries, 1967.

From Assassins to West Side Story Scott Miller, 1996. In this smart and practical guide, Scott Miller

looks at twenty musicals from a director's point of view Catalog of Copyright Entries Library of Congress.
