Western Political Thought By Brian Nelson:

Western Political Thought Brian R. Nelson, 1982 This text presents the terms ideas and dilemmas of Western political thought through an analysis of a limited number of major thinkers from the pre Socratics to the contemporary era It views the thinkers in historical context and examines them in terms of the changing relationships of ethics and politics in Western political philosophy

Political Theory Hoveyda Abbas, Ranajay Kumar, 2012 Political Theory is about the description observation analysis and inquiry into the issues of political science Divided into 15 chapters the book captures all relevant aspects of political science and analyses them in the light of examples from India and the rest of the world Through a thorough examination of various political institutions the role of different social groups and the evolution of our politics this book will help students understand the basic concepts and notions of political theory and illustrate how these concepts apply to political systems across the world

Lineages of European Political Thought Cary J. Nederman, 2009-04 This book examines some of the salient historiographical and conceptual issues that animate current scholarly debates about the nature of the medieval contribution to modern Western political ideas

Power, Philosophy and Egalitarianism Robert C. Smith, 2020-10-21 In this book Robert C Smith presents a philosophical and empirical examination on the subordination of women and blacks in the United States Comparing liberalism specifically the major social contract philosophies and Marxism on the nature of the subordination of blacks and women and their proposals if any for women s and black liberation Smith argues that sexual and racial equalitarianism in the United States is about politics and power He begins with a discussion of the multiple meanings of politics and its relationship to power and an analysis of nine power bases blacks and women should acquire and manipulate in order to advance a moral and substantive equalitarianism These power bases include money knowledge including technology and information religion morality authority size solidarity charisma violence and status Smith concludes by making a moral case for racial and sexual equalitarianism and advocates for black leadership to use the power bases available to it to make reparations for the civil rights issue of the 21st century Power Philosophy and Egalitarianism is an essential read for all those interested in race women and politics today

A Short History of Western Political Thought W. M. Spellman, 2017-09-16 This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions Beginning with the Ancient Greeks classical emphasis on politics as an independent sphere of activity the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership Concluding with a discussion of present day political thought W M Spellman explores the return to the ancient understanding of political life as a more autonomous sphere and one that doesn t relate to anything beyond the physical world Setting the work of major and lesser known political philosophers within its historical context the book offers a balanced and considered overview of the topic taking into account the religious values inherited ideas and social settings of the writers Assuming no prior knowledge and written in a highly accessible style A

Short History of Western Political Thought is ideal for those seeking to develop an understanding of this fascinating and important subject The Logic of Liberty Gary Brent Madison, 1986-11-12 Political liberalism has increasingly come under fire from both the right and the left in politics as well as in philosophy In this new study G B Madison offers a systematic rebuttal to these contemporary critics attempting to demonstrate that the basic principles of classical liberal philosophy are not only internally valid and coherent but also directly relevant to the problems faced by society in the post industrial age Building on the theory of Frank H Knight and other liberal tinkers Madison outlines the postmodern theory of reason that is presupposed within classical liberal theory and makes the case that as a political philosophy liberalism can be justified entirely within its own terms without reference to arbitrary or absolute values **Principles of Politics** John J. Schrems, 1986 It uses current political society and politics as its backdrop and shows that the nature authority origin and purpose of the state are dictated by fundamental theoretical and practical principles linked to the goals and values of ordinary life Helpful in the quest for understanding our depictions of the political world by ancient philosophers as well as contemporary political scientists Provided by publisher *The Indian Journal of Political Science* , 2005 **Journal of Government and Political Studies** , 2004 **Medieval Aristotelianism and Its Limits** Cary J. Nederman, 1997 This volume deals with the development of moral and political philosophy in the medieval West Professor Nederman is concerned to trace the continuing influence of classical ideas but emphasises that the very diversity and diffuseness of medieval thought shows that there is no single scheme that can account for the way these ideas were received disseminated and reformulated by medieval ethical and political theorists Subject Catalog Library of Congress, 1982 **The Philosophical Review** , 1982 **Journal D'histoire Et de Politique** , 1991 American Book Publishing Record , 1996 **Catalog** Florida International University, 1992 **Conflict and Compromise** Herbert R. Winter, Thomas J. Bellows, 1992 This systematic text is helps students organize and comprehend the study of politics Subject Catalog, 1982 Library of Congress, 1982 **Vanderbilt Journal of Transnational Law** , 1998 *The Kurdish Political Struggles in Iran, Iraq, and Turkey* A.
