Forthcoming Books Rose Army,2001-08 **American Book Publishing Record** ,2003 **Western Civilization Volume Two Brief 5th Edition Plus Student Research Companion Plus Berkin History Handbook** Marvin Perry,2005-07-01 **Books in Print Supplement** ,2002 **Learning Directory** ,1970 *Royalists, Radicals, and les Misérables* Eric Martone,2014-10-02 The year of 1832 marked a turning point in France as the country struggled to find its way in the wake of the French Revolution Following the Revolution of 1830 Legitimists supporters of the recently ousted Bourbon dynasty s claim to the throne continued to plot against King Louis Philippe and his July Monarchy In early 1832 after failing to launch a coup in Southern France Legitimists plotted an unsuccessful uprising in the Vendée a region in Western France that had supported the royalist cause during the French Revolution The Duchesse de Berry led the rebellion in the hopes of placing her son the Bourbon heir on the French throne The revolt marked the last attempt by the Bourbons to retake the throne by force and helped solidify the end of the Bourbon dynasty During the cholera outbreak which also spread throughout France in 1832 lower income areas suffered higher losses to the disease for they were more likely to have contaminated water supplies The lower classes spread rumors that the outbreak was an elitist plot to subdue the masses and the epidemic exacerbated class tensions Meanwhile conditions in France continued to be characterized by violence during the early 1830s as Louis Philippe attempted to establish his regime s authority The most significant of these uprisings was the republican dominated June Revolution of 1832 Victor Hugo and other contemporaries perceived the barricades of June as natural extensions of the cholera epidemic or the political continuation of a biological crisis The sad fate of the uprising however prompted republicans to regroup and develop new strategies for success As a whole then 1832 helped solidify the end of the Bourbon monarchy and class identities and was a crucial moment in the re organization and growing solidification of French republicanism that paved the way for the Revolution of 1848 This edited collection examines these three pivotal events in French history in 1832 a royal Legitimist uprising led by the Duchesse de Berry the cholera epidemic and the June Revolution featured in the climax of Hugo s novel *Les Misérables* within the context of the legacy of the French Revolution While the events of 1832 are significant they have been relatively ignored because scholars have been distracted by the Revolutions of 1830 and 1848 This collection is the first piece of scholarship to examine these three events in an interconnected pattern to better examine France as it transitioned from a monarchy to a republic As a result this collection will be of value to both historians and academics studying diverse subfields within French and European studies

Perspectives ,2002 *Ancient Beijing and Western Civilization* Zhesheng Ouyang,2024-10-29 This book explores the historical interactions between Beijing and the West before the Opium War It focuses on the experiences of Western

travellers missionaries and envoys who visited Beijing during the Yuan Ming and Qing dynasties As the capital of Imperial China since the Yuan dynasty Beijing has been central to communication between China and the West The study uses first hand historical materials such as travelogues memoirs letters Ming and Qing archives and scholarly works from both the West and China It examines their journeys to Beijing their lives in the city and their interactions with imperial officials and ordinary people The book reconstructs Western perceptions of Beijing and their observations of its architecture customs geography and China s history culture and political system It also addresses important historical issues in Sino Western relations including the controversy over Chinese rites between Beijing and the Vatican attempts to trade with Beijing sinological studies and intelligence gathering The insights gained greatly enhance our understanding of the history of cultural exchange between China and the West The book will appeal to a wide readership interested in the history of the Yuan Ming and Qing dynasties the history of Beijing Sino Western relations and international Sinology
