Western Horse's Pain-Free Back and Saddle-Fit Book Joyce Harman, 2025-11-04 Dr Joyce Harman's best selling book and videos on saddle fit have received rave reviews and helped improve the lives of performance and pleasure horses all over the world. Now due to popular demand she's written the complete reference on saddle fit and back health for Western disciplines. In this most thorough comprehensive book Dr Harman, veterinarian and respected saddle fitting expert, educates the reader about the horse's conformation, particularly the shape of the back, withers, ribs, and shoulders; saddle construction, the tree, bars, seat skirts, fleece, gullet, and stirrups; and the rider's conformation. She explains how all these variables must be considered in order to keep the horse comfortable. In addition, read about correct use of saddle pads, fitting saddles for different sports such as reining, cutting, pleasure, and trail, and how to care for your horse's back both over the short and long term.

Know You, Know Your Horse Marry Morrow, Eunice Rush, 2025-11-04 Wouldn't it be wonderful to understand how horses think? How they will react to certain situations in advance? As a matter of fact, wouldn't it be wonderful to know how the people in your life think and will react too? Now you can. *Know You, Know Your Horse* delves deeply into sections of the horse and human brain to describe core personalities, what the authors call Social Styles. Understanding these personalities allows the reader to determine which kind of horse will work best for which kind of person. This helps ensure success in selecting, rehabbing, choosing training methods, as well as matching a horse and rider to a particular discipline. Includes a bounty of tests and charts to enable each reader to more accurately determine accurate horse and human personalities. Any horse owner, seasoned or new, or trainer, amateur or professional, will gain a more complete understanding of what makes their equine partner tick by reading this book.

Where Does My Horse Hurt? Renee Tucker, 2025-11-04 Keep your horse pain free and performing his best. Introducing 27 simple body checkups you can do on your horse. *Where Does My Horse Hurt* is a do it yourself method for determining when and where your horse hurts. With this easy to follow book conveniently spiral bound, so you can lay it open on your tack trunk and follow the instructions as you work on your horse, you will become familiar with your horse's normal range of movement so you can prevent minor issues from becoming major. Stay in tune with areas of temporary or chronic discomfort so you can offer relief as needed. Solve mystery or phantom lamenesses that come and go seemingly without reason. Save thousands of dollars by avoiding expensive diagnostics that rarely get you answers. Learn how to discuss potential problem areas with farriers, veterinarians, and bodyworkers. Keep your horse actively and happily in work for more months of the year and more years of his life.

Equus, 2009 **Riding Through Thick and Thin** Melinda Folse, 2025-11-04 Many if not most women have been locked in a battle with their bodies for as long as they can remember. And when it comes to riding horses, they drag their arsenal of self-doubt with them every time they step into the saddle. Some quit riding completely. Others ride but are frustrated by their lack of progress as riders or what they see as poor performance. They succumb to silent self-torment as they wonder how they look, what others think, and whether they

have any business on the back of a horse if their jeans feel a little too tight Regardless of seat size riding discipline or the degree or even truth of the body issues with which they struggle the scars on female self image in our society run deep and wide So with the humor and big sisterly swagger that readers and reviewers have come to love Melinda Folse author of bestseller *The Smart Woman's Guide to Midlife Horses* has decided to step in with a delightful insightful fulfilling new book *Riding Through Thick and Thindelves* to the bottom of the issues that have long held women hostage bringing together experts research resources and stories to encourage inspire and empower Readers will find some answers that may surprise them Believe it or not this is not about losing weight or getting fit although if that's a point of interest there's a section packed with helpful tools and ideas This book is more about what's going on in every woman's mind and it taps new findings in neuroscience to reveal that permanent change to deeply ingrained body image issues is not only possible but it may be much easier than we think

The Western Horse's Pain-Free Back and Saddle-Fit Book Joyce Harman, 2008 Written specifically for Western style riding and horses this guide offers helpful advice on subjects such as horse and rider conformation and saddle construction Horse owners will benefit from clear explanations of the variables that must be considered in order to keep a horse comfortable Because many aspects change according to various exercise and training programs a section on the use of pads and shims for temporary problem solving as well as invaluable information on caring for the horse back both in the short and long term is included Emphasizing that a good fit is not determined by the brand cost or style of a saddle an expensive model can cause just as much harm as a cheaper one this guidebook discusses how fit is determined by a saddle that allows the horse's back to function correctly while keeping the rider in a well balanced position
