Weve Never Been Alone A History Of Extraterrestrial Intervention:

We've Never Been Alone Paul Von Ward, 2011-09-01 Whether you call them gods angels ETs or aliens sufficient proof now exists that beings more advanced than humans have influenced our history Evidence suggests that these outsiders shaped our religions genes technology and cultures In fact they may have provided the impetus for modern civilization Paul Von Ward investigates why modern science and religion refuse to address the possibility that humans interact with Advanced Beings ABs He reviews sacred texts myths and legends from the Old Testament Hebrew texts and the Vedas to the Greek myths Sumerian tablets and other historical sources to make the link between religions their gods and alien intervention He shows how this history of AB intervention has been suppressed and challenges readers to reexamine the origins of notions like divine revelation to find common ground among the world s cultures and religions Previously published as *God Genes and Consciousness* *Encounters with UFOs and Extraterrestrial Life* Michael Pye, Kirsten Dalley, 2013 For all the conspiracy theorists out there as well as non skeptics this title offers an intriguing peek into the world of extraterrestrial life The questions are posed What are UFOs Do they exist Contributions from a variety of incisive writers cover the spectrum of mysteries from alleged alien abduction to UFO conspiracy theories **The Road Taken Again** Dennis Ford, 2021-10-27 In the mischievous style of his previous books *Thinking About Everything* and *Miles of Thoughts* humorist and man of letters Dennis Ford takes to the road and reveals why heaven is the saddest place invents the practice of kid swapping explains how reasonable people will cause the end of democracy narrates a public radio interview with Jesus describes how to pretend to be mute to avoid confrontations divulges Mayberry Sheriff Andy Taylor s fatal habit provides a sure fire method to get God to answer prayers advises against conversing with demon possessed drain pipes discovers to his delight that there s beer in the afterlife Amid a generous helping of excellent groaners Ford demonstrates how to practice mindfulness while cooking Ramen noodles bestows the Insult to Humanity prize on deserving movies discloses why the people life dumps on dump on themselves asks whether we need to chlorinate the gene pool and tells why if you don t like fun you ll like New Jersey

Lost Secrets of the Gods Michael Pye, Kirsten Dalley, 2025-09-12 Are there 10 000 year old secret societies that still exist today Was there a race of giants that once inhabited the Americas Did ancient Egypt and ancient China have heretofore undiscovered ties *Lost Secrets of the Gods* delves into these ancient mysteries and many more in articles by some of the world s most intrepid and knowledgeable researchers The old paradigms of history are being radically transformed as we discover more evidence of little known cultures and what they achieved Many ancient cultures spoke and wrote of visitors that gave them knowledge and helped shape their societies Who were they and where did they come from We now know that many ancient cultures had advanced knowledge of science agriculture and astronomy only some of which has been rediscovered in the last 100 years Were *The Iliad* and *The Odyssey* really about an epic struggle in pre Celtic Europe What happened to the Persian army that completely disappeared from Egypt 2 500 years ago Did the ancients know how to create

psychic guard dogs to protect sacred sites There is much more to history than what has officially been recorded Lost Secrets of the Gods reveals startling truths and asks fascinating questions traditional historians have long ignored **Children of the Fifth World** P. M. H. Atwater, 2012-10-24 Our species is evolving in preparation for the new world on the horizon Explains how the increase in intuitive creative and abstract thinking abilities of children as well as incidences of ADHD dyslexia and autism signal evolutionary changes at work in humanity the emergence of the Fifth Root Race Connects the appearance of these traits with ancient myths and evolutionary calendars as well as predictions by Teilhard de Chardin Edgar Cayce and other visionary seers Reveals how these new kids act as agents for world change by reflecting back every misguided aspect of business politics religion and culture The past 30 years have seen a quantum leap in the intuitive creative and abstract thinking abilities of children as well as an unprecedented rise in incidences of ADHD dyslexia and autism spectrum disorders As P M H Atwater explains we are witnessing evolution at work The changes in consciousness and brain function evident in these new kids signal the widespread emergence of the Fifth Root Race and fortuitously coincide with our transition into the Fifth World Providing a resource for parents and new kids themselves Atwater explains what is happening to our species and our world from neurological changes and climate upheavals to the drive to be constantly connected through screen based technology and the unnecessary widespread use of drug therapies Sharing individual case histories underscoring the traits of the new child personality she reveals how these children born with universal consciousness encoded in their DNA act as agents for world change by reflecting back every misguided aspect of business politics religion entertainment technology and culture so we can't ignore what needs to be repaired Atwater shows how children labeled as autistic or otherwise damaged have enormous potential for greatness Connecting recent events and cultural shifts with creation myths evolutionary calendars and historical records from every culture as well as predictions by Teilhard de Chardin Sri Aurobindo Edgar Cayce and other visionary seers Atwater shows how the genetic shift now occurring follows the Rule of Thirds in its progression Exploring timelines for the next several hundred years she explains that the coming new world will be tailored specifically for the new kids who will lead the way in the Great Shift from old world to new

The "Nonsense" Papers James W. Astrada, 2013-10 In the first volume of his Nonsense Papers series James W Astrada explored the controversial discussion of extraterrestrial influence on the human species and planet Earth Now on the precipice of the Digital Age humanity is evolving at an astonishing rate but are we evolving quickly enough to be entrusted with our advances As we face the estimate that the human population may swell to ten billion by 2050 we must demand debate on how this finite planet can handle humanity's uncontrolled growth This second installment of Astrada's series continues to focus on humanity's perilous journey to connect with the power cosmic and abandon our primitive and ignorant beliefs of the paranormal and the mystic It also looks at the origins of humanity Darwinism geo engineering the dangers inherent as humans try to control the weather and more The race is on for the individual to ascend this reality we live in to

finally reconnect with the galactic families of sentient beings that await us if we try to master our humanity and all of its obstacles Are we the greatest threat to our own existence Are we ready for contact from another world *The Writers Directory* ,2013 Children of a Living Universe Von Ward, Paul,2014-04-01 This book is an articulate well researched intelligent compilation of new and ancient data that explores the implications of the extraterrestrial origins of the human race The primary stories of our origins religious versions Darwinism are called into question when held against scientific evidence and recorded histories of many cultures Among Von Ward s startling conclusions are The universe is self manifesting self directing and self learning Everything that is including the human race is a manifesation of the universal consciousness Intelligent human life is much older than is popularly believed Human consciousness mirrors that of the universe s creators Science and technologies of a millennia ago were as advanced as they are today Our consciousness is not limited to the world of the five senses With insight and clarity Von Ward envisions that discovery of our true legacy will inspire a global renaissance of inner knowing and unprecedented social progress Beyond earthly evolution he sees humanity assuming its place as a part of a universal community of conscious beings and fulfilling our potential to serve as galactic leaders This is a brilliant guide to this new and essential process in human spiritual evolution **Native American Prophecies** Scott Peterson,1999 This revised and expanded edition provides a brief introduction to the rich and varied body of wisdom of Native American Histories philosophies and origins Many of the prophecies examine how we as humans define our relationship to the earth and its relevance today *Progress in the Search for Extraterrestrial Life* G.
