**Whale-watching** James Higham,Lars Bejder,Rob Williams,2014-03-27 A critical insight into the diverse socio cultural political economic and ecological contexts of the global whale watching industry **Whale-watching** James E. S. Higham,Lars Bejder,Rob Williams,2014 Within little more than a generation whale watching has been subject to global industrial development It has been portrayed by destinations and business operators and advocated by environmental groups as a sustainable activity and an alternative to whaling However in recent years the sustainability of these activities has increasingly been questioned as research shows that repeated disturbance by boat traffic can severely disrupt critical behaviours of cetaceans in the wild Bringing together contributions by international experts this volume addresses complex issues associated with commercial whale watching sustainable development and conservation of the global marine environment It highlights widely expressed concerns for the failure of policy planning and management and pinpoints both long standing and emerging barriers to sustainable practice Featuring numerous case studies the book provides critical insights into the diverse socio cultural political economic and ecological contexts of this global industry highlighting the challenges and opportunities that arise along the pathways to sustainability Whale-watching Impacts: Science, Human Dimensions and Management

Dimensions and Management Aldo S. Pacheco,Maritza Sepulveda,Peter Corkeron,2022-02-02 **Arctic Tourism Experiences** Young-Sook Lee,David Weaver,Nina K Prebensen,2017-03-10 An exploration of Arctic tourism focusing on tourist experiences and industry provision of those experiences this is the first compilation to concentrate on the fundamental essence of the Arctic as being a geographical periphery but also an experiential core that offers peak tourism experiences Part 1 investigates the depth and dimensions of tourist experiences in the Arctic Chapters examine the essence of diverse peak experiences and delve into the factors that give rise to these experiences Part 2 considers the links between these core experiences and the tourism industry that seeks to sustain itself by facilitating such satisfying outcomes
