Rodney Hobson,2019-02-21 A Christian s growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard read and said they believed Abraham and Sarah Zechariah Jesus disciples Paul and others had issues of believing what they heard or what was written in scripture What does it mean when a person says I believe in God How does unbelief affect what a Christian believes Does what a person believes limit their ability to produce the truths of Christ and its results in their lives This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives

What I Believe Robert L. Shepherd Jr.,2018-02-26 *What I Believe* is a book that gives us the basic belief requirements one must adhere to in order to be a Christian If asked today many in America will say we live in a new age of enlightenment and in a global world society A world and age whereby many souls are seeking their own paths to the eternal and abundant life and theres no longer a need for the Judeo Christian Bible as the moral road map to chart the way to heaven and glory There are many ways to God The New Agers of today proudly preach and proclaim But the Bible teaches that There is a way which seemeth right unto a man but the end thereof are the ways of death Proverbs 14 12 I believe that God has given me this book to remind Christians of what they believe and to keep them focus on the cross of Christ for without the shedding of blood there can be no remission of sin *What We Believe* R. C. Sproul,2015-10-27 What do Christians believe about God the Father Jesus Christ the church salvation eternal life and more This contemporary classic from theologian R C Sproul provides a matchless introduction to the basics of the Christian faith **I Believe, Now Tell Me Why** Everett

your identity as God does **I Believe** Michael M. McNeley,2009-11 I believe we need to ask ourselves this question what do I truly believe When it comes to God either you believe there is a God or you believe there is no God Everyone believes in something Even atheists believe in something Atheists tend to believe in their own power to direct their lives or they tend to believe that destiny is what they make it The point is you believe in something no matter who you are I hope through this book you will grow closer to Christ and find the joy comfort and peace that comes from His forgiveness I also hope that you are encouraged to believe in the one and only true God There is only one God by nature So sit down and take a minute to ask yourself What do I believe **The Truth Is What You Believe** Warren Brewin,2018-09-30 In 550 BC or thereabouts Buddha stated I am the sum total of everything I thought This was divine wisdom that is inspiration for the book s title The Truth is what YOU Believe Everything you think is based on a process of thought reaching a conclusion that becomes exactly what you are as you traverse the complexities and opportunities of your life The Truth of Religion reviews the position of the major Religions and influences they have in societies globally today and how technological social giants like Google Facebook and YouTube threaten the loyalty to religion and the values that came with those belief systems The Truth of Sport examines whether money and greed have overtaken human integrity Does the end justify the means today The original endeavour of competitive sport started with the purest of ideologies in the Olympics rebirth in Greece in 1896 and is in stark contrast to the drug ridden corrupt fiasco that is prevalent in many professional sports today Discover what makes top athletes really tick If there are no rules there is no discernible truth The section on the Truth of Business looks at how creating credibility in every moment of a company s existence is the key ingredient to success and importantly how the leader and structure play a part Commitment to strong ideals is paramount Weak people tend to accept and are happy to exist in a world of lies as it is often easier and cheaper to delude yourself than confront reality head on How people from all walks of life deal with the adversity of relationship failure and how absolutely critical the truth is in all your relationships is uncovered in its barest form in the Truth of Relationships After the first betrayal you have nothing Living a true life means you will always have your integrity a value beyond compare *What I Believe* Alan Brown,Andrew Langley,1999 Introduces Judaism Christianity Islam Hinduism Buddhism Sikhism Shinto and Taoism through the eyes of young members of those faiths
