What Is Gender History Sonya Rose:

What is Gender History? Sonya O. Rose, 2010-07-06 Table of Contents Preface **Gender History in Practice**

Kathleen Canning, 2006 The eight essays collected in this volume examine the practice of gender history and its impact on our understanding of European history Each essay takes up a major methodological or theoretical issue in feminist history and illustrates the necessity of critiquing and redefining the concepts of body citizenship class and experience through historical case studies Kathleen Canning opens the book with a new overview of the state of the art in European gender history She considers how gender history has revised the master narratives in some fields within modern European history such as the French Revolution but has had a lesser impact in others Weimar and Nazi Germany Gender History in Practice includes two essays now regarded as classics Feminist History after the Linguistic Turn and The Body as Method as well as new chapters on experience citizenship and subjectivity Other essays in the book draw on Canning's work at the intersection of labor history the history of the welfare state and the history of the body showing how the gendered social body was shaped in Imperial Germany The book concludes with a pair of essays on the concepts of class and citizenship in German history offering critical perspectives on feminist understandings of citizenship Featuring an extensive thematic bibliography of influential works in gender history and theory that will prove invaluable to students and scholars Gender History in Practice offers new insights into the history of Germany and Central Europe as well as a timely assessment of gender history's accomplishments and challenges A Companion to Global Gender History Teresa A. Meade, Merry E.

Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender

studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field A

Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women's history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language Gender History Across Epistemologies Donna R. Gabaccia, Mary Jo Maynes, 2013-02-19 Gender History Across Epistemologies offers broad range of innovative approaches to gender history The essays reveal how historians of gender are crossing boundaries disciplinary methodological and national to explore new opportunities for viewing gender as a category of historical analysis Essays present epistemological and theoretical debates central in gender history over the past two decades Contributions within this volume to the work on gender history are approached from a wide range of disciplinary locations and approaches The volume demonstrates that recent approaches to gender history suggest surprising crossovers and even the discovery of common grounds *Gender, Imperialism and Global Exchanges* Stephan F. Miescher, Michele Mitchell, Naoko Shibusawa, 2015-05-06 Gender Imperialism and Global Exchanges presents a collection of original readings that address gendered dimensions of empire from a wide range of geographical and temporal settings Draws on original research on gender and empire in relation to labour commodities fashion politics mobility and visibility Includes coverage of gender issues from countries in Africa the Americas Europe and Asia between the eighteenth to twentieth centuries Highlights a range of transnational and transregional connections across the globe Features innovative gender analyses of the circulation of people ideas and cultural practices **Historicising Gender and Sexuality** Kevin P. Murphy, Jennifer M. Spear, 2011-10-03 Historicising Gender and Sexuality features a diverse collection of essays that shed new light on the historical intersections between gender and sexuality across time and space Demonstrates both the particularities of specific formulations of gender and sexuality and the nature of the relationship between the categories themselves Presents evidence that careful and contextualised analysis of the shifting relationship of gender and sexuality illuminates broader historical processes *Gender and the City before Modernity* Lin Foxhall, Gabriele Neher, 2012-04-17 Gender and the City before Modernity presents a series of multi disciplinary readings that explore issues relating to the role of gender in a variety of cities of the ancient medieval and early modern worlds Presents an inter disciplinary collection of readings that reveal new insights into the intersection of gender temporality and urban space Features a wide geographical and methodological range

Includes numerous illustrations to enhance clarity **The Future of Class in History** Geoff Eley, Keith Nield, 2007 In the struggle between social and cultural thinking the refusal to choose sides can be a radical and vital move *Gendering the Settler State* Kate Law, 2015-11-06 White women cut an ambivalent figure in the transnational history of the British Empire They tend to be remembered as malicious harridans personifying the worst excesses of colonialism as vacuous fusspots whose lives were punctuated by a series of frivolous pastimes or as casualties of patriarchy constrained by male actions and gendered ideologies This book which places itself amongst other new imperial histories argues that the reality of the situation is of course much more intricate and complex Focusing on post war colonial Rhodesia *Gendering the Settler State* provides a fine grained analysis of the role s of white women in the colonial enterprise arguing that they held ambiguous and inconsistent views on a variety of issues including liberalism gender race and colonialism **Weimar Publics/Weimar Subjects** Kathleen Canning, Kerstin Barndt, Kristin McGuire, 2010-08-01 In spite of having been short lived Weimar has never lost its fascination Until recently the Weimar Republic s place in German history was primarily defined by its catastrophic beginning and end Germany s defeat in 1918 and the Nazi seizure of power in 1933 its history seen mainly in terms of politics and as an arena of flawed decisions and failed compromises However a flourishing of interdisciplinary scholarship on Weimar political culture is uncovering arenas of conflict and change that had not been studied closely before such as gender body politics masculinity citizenship empire and borderlands visual culture popular culture and consumption This collection offers new perspectives from leading scholars in the disciplines of history art history film studies and German studies on the vibrant political culture of Germany in the 1920s From the traumatic ruptures of defeat revolution and collapse of the Kaiser s state the visionaries of Weimar went on to invent a republic calling forth new citizens and cultural innovations that shaped the republic far beyond the realms of parliaments and political parties Women and Work in Eighteenth-Century France Daryl M. Hafter, Nina Kushner, 2015-01-12 In the eighteenth century French women were active in a wide range of employments from printmaking to running whole sale businesses although social and legal structures frequently limited their capacity to work independently The contributors to *Women and Work in Eighteenth Century France* reveal how women at all levels of society negotiated these structures with determination and ingenuity in order to provide for themselves and their families Recent historiography on women and work in eighteenth century France has focused on the model of the family economy in which women s work existed as part of the communal effort to keep the family afloat usually in support of the patriarch s occupation The ten essays in this volume offer case studies that complicate the conventional model wives of ship captains managed family businesses in their husbands extended absences high end prostitutes managed their own households female weavers tailors and merchants increasingly appeared on eighteenth century tax rolls and guild membership lists and female members of the nobility possessed and wielded the same legal power as their male counterparts Examining female workers within and outside of the context of family *Women and Work in Eighteenth Century France*

challenges current scholarly assumptions about gender and labor This stimulating and important collection of essays broadens our understanding of the diversity vitality and crucial importance of women s work in the eighteenth century economy Homes and Homecomings K. H. Adler,Carrie Hamilton,2011-07-12 In *Homes and Homecomings* an international group of scholars provide inspiring new historical perspectives on the politics of homes and homecomings Using innovative methodological and theoretical approaches the book examines case studies from Africa Asia the Americas and Europe Provides inspiring new historical perspectives on the politics of homes and homecomings Takes an historical approach to a subject area that is surprisingly little historicised Features original research from a group of international scholars The book has an international approach that focuses on Africa Asia the Americas and East and West Europe Contains original illustrations of homes in a variety of historical contexts **Female Labour Power: Women Workers' Influence on Business Practices in the British and American Cotton Industries, 1780-1860** Janet Greenlees,2017-03-02 Britain and America were the first two countries with mechanised cotton manufacturing industries the first major factory systems of production and the first major employers of women outside of the domestic environment The combination of being new wage earners in the first trans national industry and their public prominence as workers makes these women s role as employees significant they set the early standard for women as waged labour to which later female workers were compared This book analyses how women workers influenced patterns of industrial organization and offers a new perspective on relationships between gender and work and on industrial development The primary theme of the study is the attempt to control the work process through co operation coercion and conflict between women workers their male counterparts and manufacturers Drawing upon examples of women s subversive activities and attitudes toward the discourses of labour the book emphasizes the variety of women s work experiences By using this diversity of experience in a comparative way the book reaches conclusions that challenge a variety of historical concepts including separate spheres of influence for men and women and related economic theories for example that women were passive players in the workplace evolutionary theories with respect to industrial development and business culture within and between the two industries Overall it provides the fresh approach that highlights and explains women s agency as operatives and paid workers during industrialization *Gender, Labour, War and Empire* Philippa Levine,Susan R. Grayzel,2008-12-11 A lively collection of essays on the cultures of nineteenth and twentieth century Britain Topics range from prostitution and slavery to the effect of war on fashion magazine reporting to inter racial marriage in the postwar years Particular areas of focus include the Second World War its legacies and the reactions to postwar decolonization New Working-Class Studies John Russo,Sherry Lee Linkon,2018-08-06 We put the working class in all its varieties at the center of our work The new working class studies is not only about the labor movement or about workers of any particular kind or workers in any particular place even in the workplace Instead we ask questions about how class works for people at work at home and in the community We explore how class both unites and

divides working class people which highlights the importance of understanding how class shapes and is shaped by race gender ethnicity and place We reflect on the common interests as well as the divisions between the most commonly imagined version of the working class industrial blue collar workers and workers in the new economy whose work and personal lives seem at first glance to place them solidly in the middle class from the Introduction In John Russo and Sherry Lee Linkon's book contributors trace the origins of the new working class studies explore how it is being developed both within and across fields and identify key themes and issues Historians economists geographers sociologists and scholars of literature and cultural studies introduce many and varied aspects of this emerging field Throughout they consider how the study of working class life transforms traditional disciplines and stress the importance of popular and artistic representations of working class life

Working Lives Craig Heron, 2018-10-09 Craig Heron is one of Canada's leading labour historians Drawing together fifteen of Heron's new and previously published essays on working class life in Canada *Working Lives* covers a wide range of issues including politics culture gender wage earning and union organization A timely contribution to the evolving field of labour studies in Canada this cohesive collection of essays analyzes the daily experiences of people working across Canada over more than two hundred years Honest in its depictions of the historical complexities of daily life *Working Lives* raises issues in the writing of Canadian working class history especially working class realism and how it is eventually inscribed into Canada's public history Thoughtfully reflecting on the ways in which workers interact with the past Heron discusses the important role historians and museums play in remembering the adversity and milestones experienced by Canada's working class

Women, Welfare and Local Politics, 1880-1920 Steven King, 2010-04-07 Offers a reappraisal of the role of women in the politics and practice of welfare in late Victorian and early Edwardian England Using a working diary written by the activist and female poor law guardian Mary Haslam this book portrays Bolton women as sophisticated political operators

What is History Now? D. Cannadine, 2002-07-05 E. H. Carr's *What is History* was originally published by Macmillan in 1961 Since then it has sold hundreds of thousands of copies throughout the world In this book ten internationally renowned scholars writing from a range of historical vantage points answer Carr's question for a new generation of historians What does it mean to study history at the start of the Twenty first century This volume stands alongside Carr's classic paying tribute to his seminal enquiry while moving the debate into new territory to ensure its freshness and relevance for a new century of historical study

Aspasia Francisca de Haan, Maria Bucur, Krassimira Daskalova, 2007-09 *Aspasia* is an international peer reviewed yearbook that brings out the best scholarship in the field of interdisciplinary women's and gender history focused on and produced in Central Eastern and Southeastern Europe In this region the field of women's and gender history has developed unevenly and has remained only marginally represented in the international canon

Yeah, reviewing a ebook **What Is Gender History Sonya Rose** could increase your close links listings. This is just one of the solutions for you to be successful. As understood, achievement does not suggest that you have extraordinary points.

Comprehending as with ease as conformity even more than further will present each success. adjacent to, the statement as skillfully as keenness of this What Is Gender History Sonya Rose can be taken as competently as picked to act.
