What Is Regeneration Basics Of The Faith:

What Is Regeneration? Matthew Barrett, 2013 The Bible is clear that we cannot initiate our salvation we are spiritually dead Barrett explores the doctrine of regeneration to show us what truly happens when we are saved **Basics of the Faith (Best of Christianity Today)** Carl F. H. Henry, 2019-11-27 A systematic theology from the pillars of evangelicalism Basics of the Faith is an overview of essential Christian doctrines from some of the best minds of mid twentieth century evangelicalism around the globe Originally appearing in the pages of Christianity Today during 1961 1962 this collection includes essays from influential theologians and biblical scholars including Philip E Hughes on inspiration Anthony A Hoekema on the divine attributes John Murray on sanctification Cornelius Van Til on original sin F F Bruce on the person of Christ G E Ladd on the saving acts of God Leon Morris on the atonement and J I Packer on the nature of the church This edition includes an introduction by Kevin J Vanhoozer that lays out their original context and evaluates their ongoing significance Approachable yet scholarly Basics of the Faith is both a relevant systematic theology and a celebration of evangelical heritage *Basic Theology* Charles C. Ryrie, 1999-01-11 Theology is for everyone Everyone is a theologian of sorts Theology simply means thinking about God and expressing those thoughts in some way But sloppy theology is a problem As Christians our thoughts about God need to coincide with what He has said about Himself in the Bible With his clear understanding of the Scriptures and unpretentious writing style Charles Ryrie has written Basic Theology for every student of God s Word from the devotional student to the seminary student Ryrie s name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar Now Ryrie s Basic Theology is available to you from Moody Press the company that brings you the Ryrie Study Bible Featuring charts definitions and Scripture and subject indices Basic Theology will give you a clear and comprehensive picture of Ryrie s approach to systematic theology Its 94 chapters are arranged in outline style for easy reference Considerable emphasis is given to explaining the dispensational view of the end times **The Making of the 1963 Baptist Faith and Message** A. J. Smith, 2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in

relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee's work Of special note are the contributions made by Wayne Ward Leo Garrett the religion faculty of Mercer University and the theology faculty of Southern Seminary Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines 1 Scripture 2 Man 3 Salvation 4 The Church Chapter 8 is the conclusion Four appendices contain early drafts of the Committee's work
