Restoring the Gospels' Jewish Voice Watson, Murray, 2023 Although Chouraqui and his work are well known and celebrated in many parts of the world especially in Israel and in the francophone world he is almost completely unknown in the anglophone world This book represents an attempt to introduce his important work and inspiring legacy to an English speaking audience and to explore how it can enrich Jewish Christian dialogue today As a bilingual translator and Biblical scholar I am able to make Chouraqui s work accessible to English speakers who are unfamiliar with him who may be intrigued by him but unable to directly access much of the material written by and about him in French

Predestination Peter J. Thuesen, 2009-07-06 Winner of the Christianity Today 2010 Book Award for History Biography and praised in Christian Century as witty erudite masterful this groundbreaking

history the first of its kind shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God s providential involvement in human affairs and has fueled theological conflicts across denominations for centuries Peter Thuesen reexamines not only familiar predestinarians such as the New England Puritans and many later Baptists and Presbyterians but also non Calvinists such as Catholics and Lutherans and shows how even contemporary megachurches preach a purpose driven outlook that owes much to the doctrine of predestination For anyone wanting a fuller understanding of religion in America Predestination offers both historical context on a doctrine that reaches back 1 600 years and a fresh perspective on today s denominational landscape

Meet the American Catholic Philip J. Scharper,1969 For far too long Catholics and Protestants have viewed each other as stereotype figures each sure that he knew what was

obviously wrong with the other The time has come for removing the mask we have placed before the other s face and taking a good honest look at our Christian brother as he really is This is part of the message of Meet the American Catholic as Philip Scharper removes the mask that so many Protestants have held before the face of the Catholic obscuring the real identity of this fellow pilgrim among the people of God As he takes the reader on an interesting and edifying tour through the house that is the Roman Catholic Church Mr Scharper seeks neither to hide nor to gloss over those areas in which he feels Catholics have fallen short Mr Scharper s views will not be totally approved by many within his own church nor likely by some of those without Neither hierarchy nor priest is spared from his careful analysis of some of the weaknesses he sees within his faith He recognizes both the internal and external oppositions to Pope Paul s encyclical on birth control sees a crisis in the priesthood as of major proportions and calls for an end to Catholics viewing other Christians as heretics For the future the author finds hopes for a true ecumenical movement founded on an existing common profession of faith in Christ and through Baptism Through writing primarily to better inform Protestants about Catholics Mr Scharper calls upon Catholics also to respect the beliefs and practices of other confessions and to clear their lives of prejudices and negative attitudes Perhaps he could have addressed the same advice to others also An exciting and challenging statement of some of the problems facing all Christians today this book can be read with interest and reward by followers of all faiths Publisher Forthcoming Books Rose Army,1993 American Book Publishing Record ,1992
