What Is The Color Of Hate:

What Is the Color of Hate? Deren Whalen, 2009-08 It was just after my eleventh birthday when it happened and later into my life I would refer to this day as the incident On April 8 1992 Justin Alexander Walton s life changes forever After his house is violently broken into and his father is killed Justin is left to deal with feelings of hate fear and anger toward the African American men responsible Justin finds a family to take him in and begins his life once again but even after the incident he subconsciously continues to develop powerful convictions and opinions about one particular race This hatred ultimately leads young Justin to one terrible choice with tragic consequences Deren Whalen s *What is the Color of Hate* is a suspenseful and emotional story about the hidden world of Justin s anger and hate Readers will be compelled to keep the pages turning until the final shocking conclusion *What is the Color of Hate* is a powerful story of anger hate love and ultimately forgiveness with the message of God s grace and mercy skillfully woven throughout This book is a must read for people of all ages genders races and beliefs and will cause readers to seriously consider one very important question *What is the Color of Hate*

Philosophy: Thought That Counts Gary Clifford Gibson, 2010-02-06 One hundred forty three generally philosophical essays written by Gary C Gibson The journal of philosophy presents the author s eclectic interest in string theory renewable resource economics U S politics neo Platonism Christianity cosmology genesology epistemology and metaphysics The readings in works by W V O Quine Kripke Gasperini Plotinus and Biblical cosmology along with much contemporary event analysis comprised construction element points of several of the philosophical essays written here **Decision in Paris** Lynn Lamarr, 2023-10-16 *Decision in Paris Part 2* With the first lie the winter began With the slamming of the grand piano lid a decision is made that has bitter consequences for all and fate inexorably takes its course and this forever When we close our eyes in this last part of *Decision in Paris Volume II* we are in the middle of Paris And find ourselves in a beautiful but tragic love story as in the last book which finds its continuation here seamlessly With a variety of new events which the author skillfully set the scene so that a very tightly knit haunting and under the skin drama has emerged Emotions that we can hardly escape This book makes your heart beat faster and the tears flow if we let them but only if we realize the meaning of this story Above all see what the author wanted to tell us with his story Now we begin where the second volume ends in Paris Who has never been in this city of love wants to go there after this book and who has been there before wants to do so again immediately It is the finding of a very special love in this city that chance allows It is the hymn to a single summer in Paris Of love Perhaps the events from the book will become blurred with your own memories of that city which in films and in so many songs always tells of only one thing love We would all like to experience it as intensively as these two protagonists in this novel But maybe it s also the exuberant feelings that immediately sweep you away *The Color of Hate* Joe L.
