Y1 By Sherrie Cronin:

Y1 Sherrie Cronin, 2014-11-01 y1 tells of a misfit genius who just wants to be himself and who has always had an odd ability to alter his appearance. When he lands in the sales department of a pharmaceutical company, it becomes clear that there are those who would kill to protect the mysteries that the company has worked so hard to keep hidden. While on a sales trip to the South Pacific, a colleague is murdered. He finds himself sailing with a shadowy group known as y1 to remote islands where he and his new friends will need every unique ability that they possess to resist being turned into the next murder victims.

Y1 Sherrie Cronin, 2012-12 Zane swore as a child to protect all the odd people of the world, studying chameleons and muscle groups to teach himself to alter his own appearance. No longer a young boy, too smart and too different to fit in, Zane starts his first job at a pharmaceutical company where he uncovers layers of corporate secrets that hide surprisingly vile plans. Once he is sent on a sales trip to the South Pacific, it becomes clear that there are those who would kill to protect the mysteries that the company has worked so hard to keep hidden. Charged with murder and hunted by an unsavory boot camp manager, he finds himself sailing to remote islands with a shadowy group known as y1. Fantasy, reality, and a bit of speculative science come together as Zane uses all his unique abilities to resist turning from a murder suspect into a murder victim. He still plans to find a way to keep his childhood promise if he can only live long enough to do so.
