Pool,2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human s infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice Nervous Breakthrough Christy Boulware,2023-04-11

Edwards,2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God's enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God's character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God's character *Christianity or Islam: The Contrast* Katheryn Maddox Haddad,2014-09-20 If you want to know what is in Sharia Law this book quotes it Sharia Law comes from the Quran Christianity or Islam The Contrast was written to help Christians understand Islam and Muslims understand Christianity It is not ABOUT the two religions but quotes DIRECTLY from the scriptures of both groups so the reader can know personally what they teach instead of relying on rumors Quotes from the Quran and New Testament Injil of the Bible cover the same topics for comparison purposes THESE QUOTES ARE FROM SHARIA LAW Many Muslims and Non Muslims do not realize these things are in the Quran Do Christians really claim God had to have a wife in order to have a son Do Christians really claim there are three Gods Was the Bible really corrupted Is the God of the Muslims the same as the God of the Christians These questions and more are answered inside these pages Take the challenge and find out for yourself Give this book to a Muslim friend **Controversy Between Rev. Laura Ingraham, the most listened-to woman in political talk radio, shows us how to take back what is ours. In **POWER TO THE PEOPLE**, she provides a riotous take on prisoners' journey through our besieged culture and gives us a battle plan to remake it anew the way the Founders intended: strong, patriotic, pro-family and unapologetically God-fearing.
