Zero To One Parenting Through The I Need You Now Phase:

Zero to One Reggie Joiner, Kristen Ivy, 2015-04-28 THIS IS THE PHASE WHEN NOBODY SLEEPS EVERYBODY SMELLS AND ONE MESMERIZING BABY CONVINCES YOU I NEED YOU NOW If you're finding sleep hard to come by and you're surrounded by more messes than you ever imagined possible you might be in one of the best phases of your child's life In this short volume Kristen Ivy and Reggie Joiner simplify what you need to know as a parent so you can make the most of the present realities the distinctive opportunities and the future implications of the next 52 weeks After all you've only got about 936 weeks left until your child graduates from high school Zero to One is part of the Phase Project a synthesis of real life parent experiences academic research and gatherings of leaders and educational experts from across the ministry and child development spectrum

It's Just a Phase - So Don't Miss It Reggie Joiner, Kristen Ivy, 2015-05-15 Every church knows that kids matter A better question is does your church act like every kid matters at every phase A phase is a timeframe in kids lives when you can leverage distinctive opportunities to influence their future That means the whining infant the dramatic fifth grader and the stressed out tenth grader are not just going through a phase that should be wished away Instead they are transitioning through a critical phase that you are called to discover celebrate and navigate strategically with them This book presents a challenge to churches to treat every kid who breathes like they are made in the image of God When you keep acting like every kid and teenager has the potential to believe imagine and love to care relate and trust to reason improve and lead It can change how the parents next door see your church how the elders value teenagers how the executive staff views children and youth ministry how you organize what you do every week how first graders see themselves But more importantly it can change how every kid sees God and that could change every kid's future
