Translating Chinese Culture Valerie Pellatt, Eric T. Liu, Yalta Ya-Yun Chen, 2014-04-16 Translating Chinese Culture is an innovative and comprehensive coursebook which addresses the issue of translating concepts of culture Based on the framework of schema building the course offers helpful guidance on how to get inside the mind of the Chinese author how to understand what he or she is telling the Chinese speaking audience and how to convey this to an English speaking audience A wide range of authentic texts relating to different aspects of Chinese culture and aesthetics are presented throughout followed by close reading discussions of how these practices are executed and how the aesthetics are perceived among Chinese artists writers and readers Also taken into consideration are the mode audience and destination of the texts Ideas are applied from linguistics and translation studies and each discussion is reinforced with a wide variety of practical and engaging exercises Thought provoking yet highly accessible Translating Chinese Culture will be essential reading for advanced undergraduates and postgraduate students of Translation and Chinese Studies It will also appeal to a wide range of language studies and tutors through its stimulating discussion of the principles and purposes of translation

Translation Review ,1998 **The Art of Useless** Calvin Hui, 2021-09-21 Since embarking on economic reforms in 1978 the People s Republic of China has also undergone a sweeping cultural reorganization from proletarian culture under Mao to middle class consumer culture today Under these circumstances how has a Chinese middle class come into being and how has consumerism become the dominant ideology of an avowedly socialist country The Art of Useless offers an innovative way to understand China s unprecedented political economic social and cultural transformations showing how consumer culture helps anticipate produce and shape a new middle class subjectivity Examining changing representations of the production and consumption of fashion in documentaries and films Calvin Hui traces how culture contributes to China s changing social relations through the cultivation of new identities and sensibilities He explores the commodity chain of fashion on a transnational scale from production to consumption to disposal as well as media portrayals of the intersections of clothing with class gender and

ethnicity Hui illuminates key cinematic narratives such as a factory worker's desire for a high quality suit in the 1960s an intellectual's longing for fashionable clothes in the 1980s and a white collar woman's craving for brand name commodities in the 2000s He considers how documentary films depict the undersides of consumption exploited laborers who fantasize about the products they manufacture as well as the accumulation of waste and its disposal revealing how global capitalism renders migrant factory workers scavengers and garbage invisible A highly interdisciplinary work that combines theoretical nuance with masterful close analyses *The Art of Useless* is an innovative rethinking of the emergence of China's middle class consumer culture *Arts & Humanities Citation Index* ,1998
