Wellen Michael Danner:

Lebenswege junger Menschen in Wien Katharina Danner, Michael Duncan, Jörg Flecker, Paul Malschinger, Veronika Wöhrer, 2025-11-10 Das Forschungsprojekt *Wege in die Zukunft* untersuchte über einen Zeitraum von fünf Jahren die Bildungs- und Lebensverläufe von Wiener Mittelschulabsolventinnen. Nach nur vier Jahren gemeinsamer Primarstufe unterscheidet das österreichische Schulsystem zwischen Mittelschule und gymnasialer Unterstufe. Besonders in urbanen Räumen sieht sich die Mittelschule häufig mit geringerer gesellschaftlicher Anerkennung konfrontiert. Neben Analysen zu den Lebenswegen und Entscheidungen der Jugendlichen selbst stellte das Projekt daher auch die Frage nach der Relevanz sozialer Ungleichheit in ihren Lebensrealitäten. Die Beiträge in diesem dritten Projektband greifen diese Fragestellungen aus den Perspektiven der Bildungswissenschaft und der Soziologie auf und bedienen sich dabei sowohl qualitativer als auch quantitativer Forschungsmethoden. The research project *Pathways to the Future* examined the educational and life trajectories of Viennese middle school graduates over a period of five years. After four years of common primary education, the Austrian school system distinguishes between the general track middle school (Mittelschule) and the academic track (Gymnasium), often leaving middle schools with less social recognition, especially in urban areas. In addition to analyzing the life paths and decisions of the adolescents themselves, the project also posed the question of the relevance of social inequality to their life realities from the very beginning. The articles in this third volume address these questions from different disciplinary perspectives: educational science and sociology, using both qualitative and quantitative research methods. In addition, there are two project reports that provide examples of how research findings can be processed for young people and how the target group itself can be involved. 2005, 调查与地图 **Surveying and Mapping**, 1978 **Michael Danner** Michael Danner, 1988

Musicologist Margaret Ross Griffel details the operas, composers, scores, librettos, first performances, and bibliographic sources. Four appendixes then list composers, librettists, authors whose works inspired or were adapted for the opera librettos, and a chronological listing of the entries in the A-Z section. The bibliography details other dictionaries and encyclopedias, performance studies collections, plot summaries, general studies on operas, sources on locales where opera premieres took place, works on the history of operas in German, and selective volumes on individual opera composers, librettists, producers, directors, and designers. Finally, two indexes list the main characters in each opera and the names of singers, conductors, producers, composers, directors.
