Newport, Ph.D,2004-12-01 A leading wellness advocate offers a step by step holistic plan for the 50 million people in recovery a personalized blueprint for adding years to their life and life to their years Includes a foreword by leading relapse prevention expert Terence T Gorski Based on over thirty years in the trenches as a wellness professional and counselor John Newport Ph D shares the missing dimension in recovery and the reason why the majority of people battling alcoholism and drug addiction fail to reap the full benefits of recovery and optimal health They don t adopt a wellness oriented lifestyle Newport breaks down the nebulous concept of wellness into 7 steps and gives people in recovery and their families specific tools to design their own blueprint for optimal health including Nutrition nutritional hazards associated with alcoholism and drug addiction and how to lay a sound nutritional foundation for recovery Exercise role of exercise in preventing relapse and enjoying optimal health with tips on how to get started Stress Management practical tips on stress management and meditation specifically geared to people in recovery Spiritual Needs tips on how to manifest your unique sense of central purpose and how this will help you stay clean and sober and move toward optimal health Social Supports how to develop a strong social support system sexuality in recovery and more Conquering Substitute

Addictions including nicotine addiction caffeine addiction and junk food binging Health Care why our health care system is wired backwards and how recovering people can effectively work with doctors and other health care resources A must read for people in recovery and treatment professionals How to Build A Successful Life In Spite of Yourself John Turben,2024-10-03 If you want to live life to the fullest you owe it to yourself to read this little book from Therapist John Turben In this book you ll learn how to deal with childhood traumas overcome bullies stay on the right track in your twenties and thirties keep going strong in your sixties and seventies and gain other wisdom that you ll use at every point of your life John Turben is a compassionate and successful therapist but what makes his book even better is that he has lived everything he talks about He knows what it s like to have an alcoholic father to feel lost and alone in a family with eight children to be hopelessly addicted to crack cocaine and to live on the streets But most important he has overcome it all and built a life that is devoted to serving others Whether you re dealing with specific issues or just need a little help for your journey this is the book for you John Turben is a well respected hypnotherapist who has helped thousands of clients overcome addiction and emotional issues and learn to live life to the fullest He is a graduate of the University of Wisconsin and lives in LaCrosse Wisconsin He has given of his time and expertise to The Salvation Army Catholic Charities Disabled American Veterans Alcoholics Anonymous The Copeland Center for Wellness and Recovery WRAP The Wellness Recovery Action Plan and the Coulee Counsel on Addictions He also served Common Bond as a Peer Support Specialist John is a veteran of the United States Marine Corps and speaks from experience having overcome homelessness and drug addiction He lives by the belief that the best way to help yourself is to help others **Congressional Record** United States. Congress,2008 **The Recovery Workbook and Four Week Wellness Plan** Tom Diffenderfer,Tom Diffenderfer Ladac,2014-05-10 An intensive counseling plan for substance addictions Included is information on DSMV diagnostic criteria the stages of change relapse prevention general emotional and physical wellness and much more Tom Diffenderfer is a licensed alcohol and drug abuse counselor LADAC He has been helping individuals and families recover from addiction and co occurring anxiety problems for over 20 years Passages Through Recovery Terence T Gorski,2009-07-30 Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see Passages through Recovery One of the most important things we learn in recovery is that there really is a way out of all the misery if we know which way to go But abstinence from alcohol and other drugs is just the beginning of our journey not our destination And that journey can be a rough one if we don t know what lies ahead Based on the experiences of thousands of recovering men and women Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Gorski s pioneering work describes six stages of recovery from chemical dependency and offers sound advice for

working through the challenges of each stage challenges that can create frustration and lead to relapse Passages through Recovery clearly demonstrates that sobriety is more than just healing the damage It s a way of thinking acting and relating to others Gorski writes that promotes continued physical psychological social and spiritual health The skills necessary for long term sobriety are all directed at finding meaning and purpose in life Use this book as a compass in your recovery to help you stay on course

Fully Alive Michael J. Surdyka, 2021-02-28 Addiction has been ravaging the world for centuries yet lifelong sobriety continues to elude many who search after it earnestly Why is this The current uninspired success rates for sustained long term sobriety provide a significant clue to this question It appears that there is a conceptual link absent from the addiction recovery and relapse prevention processes the ability to harness the power of one s individuality in a productive and beneficial way Although many treatment programs teach generalized recovery concepts Fully Alive Using Your Individuality to Conquer Addiction adopts a more personalized approach to developing and then preserving a rewarding life of sobriety Packed with self diagnosing worksheets multiple full color infographics and a revolutionary recovery tool called The Sobriety Blueprint this detailed plan maps out your new life in a format that is instinctive purposeful and based upon the most important part of your recovery YOU By strategically focusing on your unique personality likes dislikes interests talents and past failures particularly when creating a plan of attack your recovery becomes an extension of who you are and thus more natural and gratifying The practical advice in depth techniques and real life insights laid out to you in this action guide are powerful weapons to help you cultivate a deep rooted rock solid recovery foundation In addition we will explore the fundamental task of devising a battle plan for relapse prevention This combined with The Sobriety Blueprint gives you the firepower to protect against the constant barrage of cravings urges and triggers commonly experienced during the volatile first year of sobriety Soon you ll be living a healthy invigorating and inspiring life leaving addiction far behind as you finally gain the happiness you deserve
