Wet Dog Sophie Gamand:

Wet Dog Sophie Gamand, 2015-10-13 An adorable and hilarious collection of dog photographs Every dog owner knows too well the fun and misery of bath time the wriggles the poignant looks the playful splashes **Wet Dog** by photographer Sophie Gamand is a stunning and touching capture of this intimate moment Elevating dog photography to the status of art these expressive portraits of our canine friends mirror our very own human emotions **Wet Dog** Sophie

Gamand, 2015-10-15 **Wet Dog** is more than a pet photography project It is a book of portraits of dogs soaked in character each with a story to tell **Pit Bull Flower Power** Sophie Gamand, 2018 For decades pit bulls have been demonized by

society and portrayed as hellhounds They've become the most feared hated and abused of all companion animals Some cities and even entire countries ban them while the media persist in associating them with viciousness This unjust reputation has sealed the fate of millions of dogs who face prejudice around the world and languish in shelters where they are the most euthanized In America alone hundreds of thousands of pit bulls are put to sleep every year Since 2014 French photographer Sophie Gamand has been composing portraits of adoptable pit bulls from more than thirty shelters and rescues throughout the United States Many had been waiting for years for a home Adorning her models with handmade flower crowns Gamand tells each dog's story and celebrates their inherent personality vulnerability and individuality Posted and shared widely on social media the portraits at once charming candid and deeply affecting have not only led to hundreds of dogs finding loving forever homes but have also spurred efforts to destigmatize an animal whose reputation for violence says more about us than it does the character of the dogs themselves Full of moving honest and inspiring stories of individual dogs and their lives and deaths **Pit Bull Flower Power** presents a vivid beautifully composed cross section of Gamand's extraordinary work The book also serves as a testament to the caring people who work in animal rescue the passion and dedication of those who provide homes for these animals and the dignity forbearance and love of these dogs who are at the mercy of humans **Eat Play**
