What Dance Goes This Song:

Indian Games and Dances with Native Songs Alice Cunningham Fletcher, 1917 One day Alice C Fletcher realized that unlike my Indian friends I was an alien a stranger in my native land But while living with the Indians and pursuing her ethnological studies she felt that the plants the trees the clouds and all things had become vocal with human hopes fears and supplications This famous statement comes directly from the preface of this book and was later etched on her tombstone I have arranged these dances and games with native songs in order that our young people may recognize enjoy and share in the spirit of the olden life upon this continent she wrote Indian Games and Dances with Native Songs is a collection that conveys the pleasure and meaning of music and play and rhythmic movement for American Indians Many of the activities here described are adapted from ceremonials and sports Included is a drama in five dances celebrating the life of corn Calling the Flowers is an appeal to spirits dwelling underground to join the dancers Still another dramatic dance with accompanying songs petitions clouds to leave the sky The Festival of Joy an ancient Omaha ceremony is centered on a sacred tree In the second part Indian ball games and games of hazard and guessing are set forth as well as the popular hoop and javelin game Fletcher closes with a section on Indian names Alice C Fletcher the foremost woman anthropologist in the United States in the nineteenth century is also the author with Francis La Flesche of *A Study of Omaha Indian Music* and the two volume *Omaha Tribe* Both titles are available as Bison Books Helen Myers is the coauthor of *Folk Music in the United States An Introduction* The Best Dance Moves in the World - Ever!
