William Lee, 2013-05 Marriage laws are rapidly changing in the United States The underlying public sentiment that has allowed for this however has evolved more gradually While the Bible frequently compares the love of God for his people to marriage our culture's redefinition of marriage presents a serious problem If we redefine and redesign marriage what will that do to people's ability to comprehend what the Bible says Lee contends that it may undermine that very ability He makes the case that the Bible speaks consistently on the main aspects of this subject Churches appear to be divided right down the middle Those churches that tend to drift with society must face the Biblical issues squarely Those churches that confuse God's law and grace merely end up moralizing He insists that the call of God's grace in Christ puts a burden on the believer to honor marriage as God designed it Marriage is too important to dismiss the Bible's clear message with platitudes and politically motivated talk On the one hand Christians should not be surprised when the surrounding culture migrates away from God's standards The Bible warns that this will happen On the other hand the church is called to share the truths of judgment and mercy in a respectful manner This book is a call for all who name Jesus Christ as Savior to follow him more deeply into his inspired word in Scripture John William Lee a Lutheran pastor is a native of Washington State He holds a Bachelor of Science degree in Music from the University of Puget Sound in Tacoma and a Master of Divinity degree from Luther Seminary St Paul Minnesota He has served parishes in Montana and Seattle and is currently serving in North Dakota He is married and has two grown children and five grandchildren *Rebuilding a Marriage Better Than New* Cindy Beall, 2016-08-01 What's Better Than New God's Best You've made a commitment to see your marriage healed so now what Whether your relationship is recovering from an affair pornography addiction or just years of coasting Cindy Beall shares from her redeemed marriage journey to help you trust completely in God's ability and grace heal deeply by restoring faith in a future build wisely from the foundation up live fully by embracing your renewed relationship invest generously in your marriage and in other people Insightful questions biblical teachings to counter lies and stories of rebuilt marriages lead you to God's healing and the hope of helping others from the place you once had deep pain Cindy Beall provides undeniable proof that God is a Redeemer regardless of how messy difficult or painful our current relationships are Lisa Harper bestselling author and Bible teacher I'm a massive Cindy Beall fan If your relationship needs a tune up or a complete overhaul read this book with an open heart and I believe God will do a new work in you Craig Groeschel senior pastor of Life Church *If My Husband Would Change, I'd Be Happy* Rhonda Stoppe, 2015-08-01 Like most brides on their wedding day you no doubt were filled with love for your husband and the hope of a happy life together But perhaps today as the realities of life together have settled in those happy expectations are going unfulfilled And it's tempting to think If only my husband would change I'd be happy That myth is but one of many that Rhonda Stoppe dispels in her easy to read exploration of what it takes to experience a truly happy marriage In the process she addresses such important topics as understanding your husband's need for your unconditional respect rekindling the love that drew you to your husband in the first place refusing to believe the lie that you

and trapped like a prisoner in a loveless marriage this may be the most important book you ever read Here s why My name is Carlos Hernandez and I was on the brink of divorce five years ago My wife and I tried traditional counseling several times but it didn t work We felt like total failures because because we did everything the counselor told us but it was hopeless We did find out that we were both withholding love from each other in our own ways My wife felt rejected because I treated her like she didn t even exist I felt that she always reminded me when I did something wrong but never acknowledged when I did something right Counseling was expensive and ineffective Divorce was the next logical step but then God stepped into our marriage in a big way Through a series of unexpected events and lots of hard work we slowly experienced healing in our marriage It took lots of time and effort but we intentionally made small changes that helped us fall in love again I never thought I could love my wife again We d been through so much pain so I thought our marriage was totally hopeless We learned that nothing is impossible with God Through the healing process He revealed a miracle process for bringing freedom to marriages filled with pain and suffering This book documents our journey We understand if you are feeling rejected trapped in an unfair commitment unloved lonely and unappreciated in your marriage because we ve been there We spent five years in marriage hell The good news is that God has used our mess to deliver an important message to you There is hope for your marriage In this book you ll learn how to Get the affection you need from your spouse without begging for it Bring back the passion and love you experienced in the honeymoon phase of your relationship Stop the constant fighting without ignoring the things about your spouse that drive you insane Restore your marriage even if your spouse doesn t seem interested in you Find out exactly what God says about your marriage without spending hours studying the Bible Forgive your spouse any disrespectful things they ve done without losing your dignity Create positive change in your marriage without changing your spouse The process of repairing our marriage was long and hard because we didn t have a guide In our experience marriage counseling is both expensive and ineffective I m sure there are some excellent marriage counselors that can get results but the majority are glorified listeners Yes having someone listen to your problems is valuable but it will not help repair your marriage The alternative is finding a qualified pastor who can help you The problem is that most of the pastors who are qualified to help are very busy running the church The available pastors are usually very young and inexperienced We ve found that the church has the intentions to help but they don t have the resources We noticed this gap Christian couples desperately want help but they can t find the help they need We ve decided to stand in the gap and tell our story with the hopes it will help christian couples repair their marriage This book could be the start of a new beginning for your marriage Why not take a gamble on your future

Marriage in the Mirror Calvin Dean,2012-06 We are living in a world where people are getting married and divorced almost instantaneously They are married today and divorced tomorrow Some have turned it into a craze and are marrying just because it is the popular thing to do But they do not weigh the importance and sanctity of this honorable institution Added to all of this many marriages are being invaded by infidelity

Hollywood the Internet self centeredness greed and pride when they really should be occupied with fidelity sharing selflessness humility love and service They are no longer about sharing but all about egotism and personal fortification no longer about commitment but about our personal autonomy They are no longer about what the Bible says is right but about our rights They are no longer about holiness but about our personal gratification They are no longer about making sacrifices and holding on but about our liberty to surrender and quit at the slightest provocation This book takes a closer look at the relationship Christ the Head has with His Church His Bride for in it are all the components for a successful marriage In fact under the inspiration of the Holy Spirit the Apostle Paul tells us that the relationship that Christ shares with His Church should be mirrored in the relationship husbands should have with their wives see Ephesians 5 22 33 If marriages are a representation of Christ s the Bridegroom s relationship with His Church the Bride then everything that we need for a godly and successful marriage is evident in that relationship This book offers sound time tested biblical precepts and practical steps that guarantee you a fail safe or foolproof marriage once your marriage relationship mirrors the relationship Christ has with His Church
