What Helped Get Me Through Cancer Survivors Share Wisdom And Hope:

What Helped Get Me Through Julie K. Silver, 2009 Offers cancer patients practical advice inspiration and medical guidance to help them cope with their diagnosis and make the right choices about their treatment with first hand stories from survivors who have faced the same challenges

Chicken Soup for the Soul: Hope & Healing for Your Breast Cancer Journey Dr. Julie Silver, 2012-09-04 Chicken Soup for the Soul Hope Healing for Your Breast Cancer Journey will encourage comfort and encourage breast cancer patients and survivors with its inspiring stories and helpful medical information A support group from breast cancer diagnosis through treatment to rehabilitation and recovery this book combines inspiring Chicken Soup for the Soul stories written just for this book and accessible leading edge medical information from Dr Julie Silver of Harvard Medical School Patients and survivors will find comfort strength and hope

You Can Heal Yourself Julie Silver, 2012-01-31 How to heal faster better and stronger during recovery from a serious illness or injury a Harvard doctor s complete recovery plan When people are seriously ill or injured they receive immediate and often life sustaining treatment Then at some point they are usually left to their own devices to finish healing At the time that patients are discharged from treatment or their doctors tell them I don t have anything else I can offer you they are often shifted into a zone where they are better than at their sickest point but not as healthy as they once were This zone between illness and good health is where rehabilitation specialists focus Dr Silver calls this area of medicine where physiatrists work The Healing Zone This is the place where doctors are most concerned with physical and emotional healing after an injury or illness Our bodies are amazing in their capacity to heal however people can be taught how to heal faster better and stronger both physically and emotionally You Can Heal Yourself offers the strategies needed to achieve optimal healing
