What God Has Joined Together:

What God Has Joined Together Robert H. Vasoli, 1998-04-16 The recent controversy over Joe Kennedy's annulment gave only a glimpse of American Catholicism's open secret that contrary to official Catholic doctrine American churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law He shows for instance how they often help petitioners manufacture grounds for annulment which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican's highest marriage tribunal more than 90% are overturned This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage *What God Has Joined Together... Or Not* R'chelle Cyrus-Hughes, 2019-05-03 Most people know the Bible verse What God has joined together let not man separate Mark 10 9 and believe it to mean that every marriage is a union ordained and blessed by God Unfortunately this is not so God is not obligated to bless every marriage Yet I believe every married couple wants a good and successful marriage right If this is so then every married couple should want their marriage to be blessed However the Bible tells us that the opposite of blessed is cursed which is the way of the world and no one wants that According to God who created marriage there is no middle ground here Every marriage like every man will go one way or the other So I ask you this question Where is your marriage going God's way or the world's A book from the Victory Vignettes collection of power packed inspirational short reads *What God Has Joined Together* H.
