What Is God's Great Plan? James Edwards, 2012-04-25 Second Book in the What is God's Great Plan Series The World at War the Angel's Trumpet *Ezra, Nehemiah, Esther* Mervin Breneman, 1993-09-30 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text [A Pentecostal Commentary on Revelation](#) Jon K. Newton, 2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation **Philips' graduated standard poetry book** Philip George and son, Ltd, 1885 **Zondervan Illustrated Bible Backgrounds Commentary: John, Acts** Clinton E. The Beginning of the Story Timothy J. Geddert, 2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God s dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible s first thirty nine books restoring joy in reading and studying the most important story ever told *Authority in God's Church* Vernon Sparks, 2013-02-05 This is a discussion of the overall chain of command or authority in a Christian church It discusses the relationship between God Christ the Holy Spirit the Spirit of Prophecy human leaders and the believer It discusses the problems that arise when the proper chain is not maintained and the consequences of such disruptions Chapter Titles Preface Introduction Christ s Representative on Earth The Need for Organization Leadership s Relation to Authority How Leaders Are to Do Their Work Unity In the Church Working Against the Church Church Discipline Conflict God on the Throne He Guides God s Direct Guidance Will Increase Independence From Authority Counsel Together Obedience to God s Authority The Results of Obedience to God s Authority Usurpation of God s Authority The Results of Usurping God s Authority God s Reproof of His Church The Response to Reproof Examples of Relationship to Authority Appendix A Appendix B
