Exploring Psychology, Sixth Edition, in Modules David G. Myers, 2004-12-07 The success of the modular version of David Myers's bestselling brief text *Exploring Psychology* proves the author's longheld belief supported by independent research that for a number of students a text comprised of 45 15 page chapters is more effective than one of 15 45 page chapters *Exploring Psychology Sixth Edition in Modules* includes all the features and up to date content of the current edition of *Exploring Psychology* organized into 45 modules It is accompanied by its own expansive variety of media and supplements similar to the *Exploring Psychology* package also reorganized to match the modular format This is NOT a brief version of *Psychology Seventh Edition in Modules* Rather this text is a MODULARIZED version of *Exploring Psychology Sixth Edition*

Social Psychology Carol Brown, 2006-03-29 *Social Psychology* provides student readers with essential help with all aspects of their first course in social psychology including advice on revising for exams preparing and writing course assessment materials and enhancing and progressing their knowledge and skills in line with course requirements on a social psychology course **Research Integrity** Lee J. Jussim, Jon A. Krosnick, Sean T. Stevens, 2022 This book offers a behavioral science perspective on how scientific practice becomes compromised and provides recommendations for improvement Broadening the discussion of research integrity beyond replication publication biases statistics and methods this book addresses the full complexity of the issue and serves academics and policy makers who are concerned with the reliability and validity of scientific findings across the social sciences **Christian Ethics in Secular Cultures** Thomas K. Johnson, 2018-05-10 A central question in Christian ethics is the relationship between the moral principles we should follow

within the Christian community and the ethics followed in the secular societies in which we live Our dilemma is that we have received a revelation of God's moral will in the Bible and in creation which must shape the identity of believers over against unbelieving cultures while our neighbors follow the ethics of other world views which concern us deeply Remember the Holocaust where the ethics of a secular ideology wreaked destruction in an entire society How should we as Christians whom God has called to a distinct identity participate in the moral considerations that will shape our cultures and communicate some of our convictions in a way that brings moral light into our worlds Johnson offers the insight gained by 20 years of teaching ethics in secular universities in Europe and North America First he addresses questions of sex marriage and family then questions of work and economics and finally theological and philosophical foundations *Fresh Perspectives: Introduction to Psychology* Belinda Train, 2007 Offender Rehabilitation and Treatment James McGuire, 2003-04-11 Criminal behaviour continues to be a matter of major public concern How society should respond to it and what should be done with those who repeatedly offend remain hotly disputed topics of conversation *Offender Rehabilitation and Treatment* draws together internationally renowned experts from the United Kingdom Europe North America and Australia Chapters summarise some of the most recent and exciting developments in this field and offer a systematic knowledge based approach to the effective reduction of criminal behaviour Offers coverage of a wide range of key topics in this area Links theory research and practice in a coherent and accessible style International focus with examples and authors from a number of countries **Burnout or Breakout** John Messer, 2021-01-27 How can church leaders be effective without sacrificing their marriage their family or their health in the process How can good leaders get stuck churches unstuck without becoming another casualty *Burnout or Breakout* provides answers to both The burnout epidemic among church leaders combined with cultural volatility uncertainty and complexity catalyze with unhealthy church processes to get churches stuck All these forces combine to stifle good leaders until it seems that no reasonable leadership effort can succeed This book brings new insights to churches and church leaders frustrated with making tireless efforts to move the church yet constantly falling short of their goals and objectives It helps church leaders avoid quick fix solutions that actually keep churches stuck by applying systemic long term solutions This book brings hope to stifled leaders on the verge of burnout Building on biblical and experiential evidence the author presents burnout as a systemic problem Seeing from a systems perspective enables leaders to discover how their church really works and provides tools and strategies to help them realign their church system for health and effectiveness Based on a comprehensive introduction to systems thinking leaders are encouraged to see their congregations as complex systems of interrelated and interdependent elements Effective leadership from a systems perspective aligns the church to achieve intended outcomes Based on the account of Jethro and Moses in Exodus 18 leaders are equipped to identify and diagnose church systems designed for burnout and provides strategies to overcome the stifling forces within the church Leaders are further equipped to apply systemic thinking to common church system problems such as declining

attendance mission confusion and volunteer shortages Brings hope that stifled leaders and stuck churches can break out of their limiting conditions by investing time and effort to learn and practice seeing from a new systems perspective
