Vaughan, 2004-12-07 After a devastating plague Yorick Brown is the last man left alive in a world of women On the run from Amazon extremists who would be happy to see him dead his friends leave him in the care of Agent 711 But 711 is not the tragic woman she seems to be and Yorick is propelled into a drug fueled nightmare of blood and sadism Collects issues 18-23 of the runaway hit Vertigo series by Brian K Vaughan EX MACHINA RUNAWAYS and Pia Guerra

Y: the Last Man [Book 4], Safeword Brian K. Vaughan, 2003 Now more than halfway across the country Earth's sole surviving human male Yorick Brown and his companions cloning specialist Dr Allison Mann and government agent 355 are preparing for the final leg of their journey to San Francisco where Dr Mann's most important experiment awaits But before they can leave they need to get antibiotics for the planet's only other living male Yorkick's monkey Ampersand For Yorick that means an enforced stay in the back country of Colorado with one of 355's former associates the retired agent 711 But Yorick is in for much more than a quiet weekend in the woods Of all the dangers that he's faced in his travels what awaits him in 711's cabin will be the hardest to confront and will also prove the difference between life and death for the world's last man

Safeword Brian K. Vaughan, 2003 When a plague of unknown origin kills every mammal with a Y chromosome Yorick Brown discovers that he is the only male left and embarks on a transcontinental journey to discover why

Shakespeare and Comics Jim Casey, Brandon Christopher, 2024-08-22 From their inception low culture comics have intersected with the high culture of Shakespeare This is the first book length collection dedicated entirely to the exploration of this collision Its chapters illuminate the ways in which different texts time periods politics authors media approaches and forms interact Ranging from Classic Comics to Marvel from tebeo to manga from independent to mainstream comics texts explored include Y The Last Man Neil Gaiman and Charles Vess's A Midsummer Night's Dream The Sandman 19 The League of Extraordinary Gentlemen I Am Alfonso Jones Marvel 1602 Doom 2099 and manga adaptations of The Tempest and Macbeth among many others As comic books and their big screen progeny dominate mainstream popular culture the association of Shakespeare with comics offers creators and critics tools with which to interrogate the place of Shakespeare within the English and global literary and cultural traditions Shakespeare and Comics argues that at a moment when the reassessment and reimagining of literary canons has become more urgent than ever thinking about Shakespeare through the lens of comics invites us to imagine a literary and cultural landscape in which so called great works exist alongside and in equal conversation with marginalized writers topics and forms

Editing the Soul Everett Hamner, 2017-09-28 Personal genome testing gene editing for life threatening diseases synthetic life once the stuff of science fiction twentieth and twenty first century advancements blur the lines between scientific narrative and scientific fact This examination of bioengineering in popular and literary culture shows that the influence of science on science fiction is more reciprocal than we might expect Looking closely at the work of Margaret Atwood Richard Powers and other authors as well as at film comics and serial

television such as Orphan Black Everett Hamner shows how the genome age is transforming both the most commercial and the most sophisticated stories we tell about the core of human personhood As sublime technologies garner public awareness beyond the genre fiction shelves they inspire new literary categories like slipstream and shape new definitions of the human the animal the natural and the artificial In turn what we learn of bioengineering via popular and literary culture prepares the way for its official adoption or restriction and for additional representations By imagining the connections between emergent gene testing and editing capacities and long standing conversations about freedom and determinism these stories help build a cultural zeitgeist with a sharper more balanced vision of predisposed agency A compelling exploration of the interrelationships among science popular culture and self Editing the Soul sheds vital light on what the genome age means to us and what s to come Finding Lost — Season Five Nikki Stafford,2010-12-16 Nikki Stafford s series the only complete episode by episode guide to Lost continues its exploration of the deeper meanings behind every episode of this critical and commercial success The season five instalment will included analyses on how John Locke could become Jeremy Bentham and what it means to the show s overriding themes and chapters on literary references like Stephen King s The Stand and James Joyce s Ulysses Includes exclusive behind the scenes photos of the filming of the new season on location in Hawaii
