

Yad Mordechai Museum

James Edward Young

Yad Mordechai Museum:

The Six Days of Yad Mordechai Margaret Larkin,1977 *The Six Days of Yad Mordechai* Margaret Mary Larkin,1963

A Tale of Two Narratives Grace Wermenbol,2021-05-27 Explores the transmission and perpetuation of conflict narratives in Israeli Jewish and Palestinian society since the signing of the Oslo Accords **Ethnographic Museums in Israel** Noam Perry,Ruth Kark,2017-02-23 Ethnographic Museums in Israel focuses on a new dimension of the Israeli museological landscape Since the 1970s Jewish ethnic groups that were dissatisfied with the way large scale museums had displayed or ignored their heritage began to erect museums dedicated to their own cultures These include museums dedicated exclusively to the cultural heritages of the Jews of Germany Hungary India Iraq Italy Libya Morocco Turkey Uzbekistan and Yemen depicting the glorious past of these ethnic groups In parallel Arab including Bedouin Druze and Circassian minorities of Israel and Palestinians began creating museums that challenge the narrative portrayed in the museums of Jewish settlement and highlight their own cultural heritage Taken as a whole these museums and heritage centers portray the ethnic diversity of Israeli society and preserve this diverse cultural heritage for future generations **Visitor Experience at Holocaust Memorials and Museums** Diana I. Popescu,2022-11-29 Visitor Experience at Holocaust Memorials and Museums is the first volume to offer comprehensive insights into visitor reactions to a wide range of museum exhibitions memorials and memory sites Drawing exclusively upon empirical research chapters within the book offer critical insights about visitor experience at museums and memory sites in the United States Poland Austria Germany France the UK Norway Hungary Australia and Israel The contributions to the volume explore visitor experience in all its complexity and argue that visitors are more than just learners Approaching visitor experience as a multidimensional phenomenon the book positions visitor experience within a diverse national ethnic cultural social and generational context It also considers the impact of museums curatorial and design choices visitor motivations and expectations and the crucial role emotions play in shaping understanding of historical events and subjects By approaching visitors as active interpreters of memory spaces and museum exhibitions Popescu and the contributing authors provide a much needed insight into the different ways in which members of the public act as agents of memory endowing this history with personal and collective meaning and relevance Visitor Experience at Holocaust Memorials and Museums offers significant insights into audience motivation expectation and behaviour It is essential reading for academics postgraduate students and practitioners with an interest in museums and heritage visitor studies Holocaust and genocide studies and tourism Lessons and Legacies I Peter Hayes,Holocaust Educational Foundation,1991-08 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research

now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed amidah or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding Publisher s description *The Museums of Israel* Nitza Rosovsky,Joy Gottesman Ungerleider,Joy Ungerleider-Mayerson,1989 **The Fall of a Sparrow** Dina Porat,2009-10-21 The Fall of a Sparrow is the only full biography in English of the partisan poet and patriot Abba Kovner 1918 1987 An unsung and largely unknown hero of the Second World War and Israel s War of Independence Kovner was born in Vilna the Jerusalem of Lithuania Long before the rest of the world suspected he was the first person to state that Hitler was planning to kill the Jews of Europe Kovner and other defenders of the Vilna ghetto only hours before its destruction escaped to the forest to join the partisans fighting the Nazis Returning after the Liberation to find Vilna empty of Jews he immigrated to Israel where he devised a fruitless plot to take revenge on the Germans He then joined the Israeli army and served as the Givati Brigade s Information Officer writing Battle Notes newsletters that inspired the troops defending Tel Aviv After the war Kovner settled on a kibbutz and dedicated his life to working the land writing poetry and raising a family He was also the moving force behind such projects as the Diaspora Museum and the Institute for the Translation of Hebrew Literature The Fall of a Sparrow is based on countless interviews with people who knew Kovner and letters and archival material that have never been translated before **The Israelis: Founders and Sons** Amos Elon,2019-08-16 Superb The first critical analysis of Israel written from within It s a deliberate act of self awareness exploring how a people got where they are Time The most illuminating even handed candid appraisal of the contemporary Jewish condition yet to appear Newsweek A penetrating profound explosive essay analysis of the Israelis and the Jews Elon is that very rare writer of contemporary history who can sincerely and honestly see and sympathize with the irreconcilable forces of so suicidal a death embrace as the Israeli Arab struggle a moving enlightening stimulating book this book is a beacon David Schoenbrun The New York Times Amos Elon should be praised he has written the most acute even handed portrait yet of the perennially controversial Israelis he has created a portrait that is as complex as it is palpable Roger Jellinek The New York Times An instant bestseller in Hebrew and

in English from 1971 it became required reading in schools and mirrored the lives of Israelis The Guardian A superb book The Nation Amos Elon's The Israelis stands out as a uniquely valuable book Commentary Magazine *Desert in the Promised Land* Yael Zerubavel, 2023-05-25 A complex and fascinating portrait of Israel an engaging book that combines anthropology culture and history Anita Shapira author of Ben Gurion Father of Modern Israel At once an ecological phenomenon and a cultural construction the desert has varied associations within Zionist and Israeli culture In the Judaic textual tradition it evokes exile and punishment yet is also a site for origin myths the divine presence and sanctity Secular Zionism developed its own spin on the duality of the desert as the romantic site of Jews biblical roots that inspired the Hebrew culture and as the barren land outside the Jewish settlements in Palestine featuring them as an oasis of order and technological progress within a symbolic desert Yael Zerubavel tells the story of the desert from the early twentieth century to the present shedding light on romantic mythical associations settlement and security concerns environmental sympathies and the commodifying tourist gaze Drawing on literary narratives educational texts newspaper articles tourist materials films popular songs posters photographs and cartoons Zerubavel reveals the complexities and contradictions that mark Israeli society's semiotics of space in relation to the Middle East and the central role of the besieged island trope in Israeli culture and politics **Encyclopedia of Library and Information Sciences** John D. McDonald, Michael Levine-Clark, 2017-03-15

The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entries and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance *The Texture of Memory* James Edward Young, 1994-01-01 Dotyczy m in Polski

The Making of Modern Israel Leslie Stein, 2013-05-20 On May 14 1948 the State of Israel was declared announced by David Ben Gurion at a small gathering that assembled in the main hall of the Tel Aviv Art Museum Within a time frame of only nineteen years culminating in the Six Day War Israel fought three separate wars But within its first four years thanks to mass immigration its population doubled Furthermore Israel had been confronted with acute economic difficulties intra Jewish ethnic tensions a problematic Arab minority and a secular religious divide Apart from defence issues Israel faced a generally hostile or at best indifferent international community rendering it hard pressed in securing great power patronage or even official sympathy and understanding Based on a wide range of sources both in Hebrew and English this book contains a judicious synthesis of the received literature to yield the general reader and student alike a reliable balanced and novel account of Israel's fateful and turbulent infancy **Peace Kills** P. J. O'Rourke, 2007-12-01 The 1 New York Times bestselling author who never fails to find the absurd addresses everything from airport security to the Iraq War The New

York Times Book Review To unravel the mysteries of war P J O Rourke first visits Kosovo Wherever there s injustice oppression and suffering America will show up six months later and bomb the country next to where it s happening He travels to Israel at the outbreak of the intifada He flies to Egypt in the wake of the 9 11 terrorists attacks and contemplates bygone lunacies Why are the people in the Middle East so crazy Here at the pyramids was an answer from the earliest days of civilization People have always been crazy He covers the demonstrations and the denunciations of war Finally he arrives in Baghdad with the U S Army and enters one of Saddam s palaces If a reason for invading Iraq was needed felony interior decorating would have sufficed With this collection P J O Rourke once again demonstrates that he is an acerbic master of gonzo journalism and one of America s most hilarious and provocative writers Time

Arieh Sharon and Modern Architecture in Israel Eran Neuman,2023-11-30 Arieh Sharon and Modern Architecture in Israel Building Social Pragmatism offers the first comprehensive survey of the work of Arieh Sharon and analyzes and discusses his designs and plans in relation to the emergence of the State of Israel A graduate of the Bauhaus Sharon worked for a few years at the office of Hannes Mayer before returning to Mandatory Palestine There he established his office which was occupied in its first years in planning kibbutzim and residential buildings in Tel Aviv After the establishment of the State of Israel in 1948 Arieh Sharon became the director and chief architect of the National Planning Department where he was asked to devise the young country s first national masterplan Known as the Sharon Plan it was instrumental in shaping the development of the new nation During the 1950s and 1960s Sharon designed many of Israel s institutions including hospitals and buildings on university campuses This book presents Sharon s exceptionally wide range of work and examines his perception of architecture in both socialist and pragmatist terms It also explores Sharon s modernist approach to architecture and his subsequent shift to Brutalist architecture when he partnered with Benjamin Idelson in the 1950s and when his son Eldar Sharon joined the office in 1964 Thus the book contributes a missing chapter in the historiography of Israeli architecture in particular and of modern architecture overall This book will be of interest to researchers in architecture modern architecture Israel studies Middle Eastern studies and migration of knowledge

Holy Wars Gary L. Rashba,2020-01-10 A compelling tale of how this spiritually and politically charged area of the globe has long been a place of pivotal battles Library Journal Today s Arab Israeli conflict is merely the latest iteration of an unending history of violence in the Holy Land a region that is unsurpassed as witness to a kaleidoscopic military history involving forces from across the world and throughout the millennia *Holy Wars* describes three thousand years of war in the Holy Land with the unique approach of focusing on pivotal battles or campaigns beginning with the Israelites capture of Jericho and ending with Israel s last full fledged assault against Lebanon Its chapters stop along the way to examine key battles fought by the Philistines Assyrians Greeks Romans Arabs Crusaders and Mamluks the latter clash at Ayn Jalut comprising the first time the Mongols suffered a decisive defeat The modern era saw the rise of the Ottomans and an incursion by Napoleon who only found bloody stalemate outside the walls of

Akko The Holy Land became a battlefield again in World War I when the British fought the Turks The nation of Israel was forged in conflict during its 1948 War of Independence and subsequently found itself in desperate combat often against great odds in 1956 and 1967 and again in 1973 when it was surprised by a massive two pronged assault By focusing on the climax of each conflict while carefully setting each stage Holy Wars examines an extraordinary breadth of military history spanning in one volume the evolution of warfare over the centuries as well as the enduring status of the Holy Land as a battleground

Site of Amnesia: The Lost Historical Consciousness of Mizrahi Jewry Yvonne Kozlovsky Golan, 2019-03-25 This study deepens our historical understanding of the North African Jewish and Middle Eastern Jewish experience during WWII which is often under or mis represented by the media in Israel the Arab world France and Italy Public historical and sociocultural discourse is examined to clarify whether these communities are accepted by the world as Holocaust survivors Further it determines the extent to which their wartime history is revealed to Israeli society in its cultural performances Importantly this work addresses the reasons why the Holocaust of North African Jewry is absent from Israeli and world consciousness Finally the study contemplates the consequences of these phenomena for Israeli society as well as in the colonial countries of France and Italy In addition to using academic resources Golan captures this history from the margins by utilizing audio visual and artistic media in addition to evidence recorded on community heritage websites Facebook and other online social networks Golan s book demonstrates that there is a moral imperative to preserve and transmit these memories of persecution and discrimination David B Levy Touro College NYC Association of Jewish Libraries News and Reviews 1 2 2019 [Israeli Holocaust Research](#) Boaz Cohen, 2013 An exploration of the development of Holocaust research in Israel this book ranges from the consolidation of Holocaust research as an academic subject in the late 1940s to the establishment of Yad Vashem and beyond Research on the story of historiography is often a work on books on the final products that fill academic bookshelves yet in Israeli Holocaust Research Boaz Cohen illustrates that the evolution of holocaust research in Israel has a more human element to it Drawing on knowledge gained through seven years of work in ten major archives in Israel the author reveals a previously unseen picture of the development of Israeli Holocaust research from below and of the social and cultural forces influencing its character In doing so a new facet to the picture emerges of the story beyond the archive and the people who see Holocaust research as their mission and responsibility This book will be a fascinating addition to the study of Holocaust research and will be of particular interest to students of history historiography and Jewish studies

Memory and Ethnicity Dario Miccoli, Emanuela Trevisan Semi, 2013-12-05 In recent times ethnicity and issues of origin have become a hotly debated topic among Jews both in Israel and in the Diaspora This is particularly true both of Jews from the Middle East and North Africa who for years had remained at the margins of the Israeli national narrative as well as the Israeli Palestinian minority Much the same may be said of Diaspora Jews Among the public spaces where ethnicity has become more visible are museums together with heritage centres art galleries and the Internet The aim of Memory and

Ethnicity is to investigate how ethnicity is represented and narrated in such spaces How have groups of Jews from such different backgrounds as Morocco Egypt India or the US elaborated their past legacies and traditions vis vis a variety of national narratives and cultural or political ideologies This volume describes the emergence of a new museological scene that mirrors a multi vocal Jewish and Israeli public sphere in which ethnicity has become central to a nation s cultural imagination By considering museums as places of memory where an ethnic communal identity is displayed Memory and Ethnicity analyses which memories are preserved and which suppressed This study sets out to enrich the understanding of Israeli and Jewish cultural history and also to deepen the field of museum studies from little investigated perspectives **A Small Door**

Set in Concrete Ilana Hammerman, 2019-11-28 I was taught from the start not to be silent For years renowned activist and scholar Ilana Hammerman has given the world remarkable translations of Kafka With A Small Door Set in Concrete she turns to the actual surreal existence that is life in the West Bank after decades of occupation After losing her husband and her sister Hammerman set out to travel to the end of the world She began her trip with the hope that it would reveal the right path to take in life But she soon realized that finding answers was less important than experiencing the freedom to move from place to place without restriction Hammerman returned to the West Bank with a renewed joie de vivre and a resolution she would become a regular visitor to the men women and children who were on the other side of the wall unable to move or act freely She would listen to their dreams and fight to bring some justice into their lives A Small Door Set in Concrete is a moving picture of lives filled with destruction and frustration but also infusions of joy Whether joining Palestinian laborers lining up behind checkpoints hours before the crack of dawn in the hope of crossing into Israel for a day s work accompanying a family to military court for their loved one s hearing or smuggling Palestinian children across borders for a day at the beach Hammerman fearlessly ventures into territories where few Israelis dare set foot and challenges her readers not to avert their eyes in the face of injustice Hammerman neither preaches nor politicks Instead she engages in a much more personal everyday kind of activism Hammerman is adept at revealing the absurdities of a land where people are stripped of their humanity And she is equally skilled at illuminating the humanity of those caught in this political web To those who have become simply statistics or targets to those in Israel and around the world she gives names faces dreams desires This is not a book that allows us to sit passively It is a slap in the face a necessary splash of cold water that will reawaken the humanity inside all of us

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Immerse Yourself in **Yad Mordechai Museum** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
