

The incredible wartime
exploits of double
agent Eddie Chapman

Zig Zag

NICHOLAS BOOTH

Zigzag The Incredible Wartime Exploits Of Double Agent Eddie Chapman

David Tremain

Zigzag The Incredible Wartime Exploits Of Double Agent Eddie Chapman:

Zigzag Nicholas Booth,2007 Eddie Chapman was handsome witty and charming He was also a con man a womanizer a thief and the most remarkable double agent of the World War II British military intelligence MI5 called him ZigZag and he proved to be one of their most valued agents The Abwehr German military intelligence called him Fritzchen Little Fritz and counted him among their most trusted spies For three long years Chapman played a dangerous double game risking life and limb to help the Allies win the war This is his incredible story Born into poverty Chapman vowed early on not to live the miserable life his parents endured At seventeen he joined the prestigious Coldstream Guards but disliked the discipline Cracking safes was much more fun and lucrative He quickly became so adept at it that the authorities assumed he had cracked a safe even when he hadn't Feeling the heat Eddie fled to the Channel Islands where he continued to ply his trade until his crimes finally caught up with him The police threw him in jail where the Germans found him when they invaded the islands in 1940 Seizing this opportunity Chapman offered his services to them Reluctant at first the Nazis ever more in need of spies tested him time and again to ensure that he wasn't double crossing them He passed with flying colors and the Abwehr moved him to France where they trained him in espionage sabotage and radio communications before dropping him back into Britain late in 1942 with orders to blow up the De Havilland Aircraft factory the source of the Mosquito bombers that were by now wreaking devastation across Germany How Chapman and MI5 convinced the Abwehr that he had accomplished his mission stands as one of history's great acts of counterintelligence Later he also brilliantly misdirected German V2 rockets away from their targets in London and into the surrounding countryside saving countless lives Eddie Chapman's extraordinary story long remained untold thwarted by the Official Secrets Act But now all the records including his MI5 file have been released paving the way for Booth's definitive action packed account of Chapman's tumultuous life

Book jacket *ZigZag* Nicholas Booth,2007 Eddie Chapman was a womaniser blackmailer and safecracker He was also a great hero the most remarkable double agent of the Second World War Chapman became the only British national ever to be awarded an Iron Cross for his work for the Reich He was also the only German spy ever to be parachuted into Britain twice But it was all an illusion Eddie fooled the Germans in the same way he conned his victims in civilian life He was working for the British all along Until now the full story of Eddie Chapman's extraordinary exploits has never been told thwarted by the Official Secrets Act Now at last all the evidence has been released including Eddie's MI5 files and a complete account of what he achieved is told in this enthralling book *Zigzag* Nicholas Booth,2007 Eddie Chapman was a womaniser blackmailer and safecracker He was also a great hero the most successful double agent of the Second World War Nicholas Booth has had access to the newly released MI5 files on Eddie which at last reveal just how important he was to the war effort

Agent Zigzag Ben Macintyre,2010-08-02 A gripping tale of loyalty love treachery espionage and the thin and shifting line between fidelity and betrayal Double Agent Victoire David Tremain,2018-06-11 Mathilde Carr notoriously

known as La Chatte was remarkable for all the wrong reasons Like most spies she was temperamental scheming and manipulative but she was also treacherous A dangerous mix especially when combined with her infamous history of love affairs on both sides Her acts of treachery were almost unprecedented in the history of intelligence yet her involvement in the Interalli affair has only warranted a brief mention in the accounts of special operations in France during the Second World War But what motivated her to betray more than 100 members of the Interalli network the largest spy network in France Was she the only guilty party or were others equally as culpable Drawing on material from MI5 files Double Agent Victoire explores the events that led to her betrayal who may have cast the first stone and their motivations as well as how the lives and careers of those involved were affected It reveals a story full of intrigue sex betrayal and double dealing involving a rich cast including members of the French Resistance German Abwehr and British Intelligence

Operation Lena and Hitler's Plots to Blow Up Britain Bernard O'Connor, 2017-11-15 The wartime story of how the Nazi Germany sent saboteurs from 1938 onwards to launch acts of terror on the street of England and amazingly employed collaborators from the IRA and attempted to use Scottish and Welsh nationalists

History's Most Daring Rogues and Villains Nigel Blundell, 2022-05-05 Gathered together within the pages of this book is a roguish array of artful tricksters fantastic fakers rascally fraudsters and cunning conmen They all bend the rules and usually the law Yet however reprehensible their misdeeds these thoroughly rotten scoundrels often display the very essence of enterprise and adventure It would be wrong to condone their antics of course but it is difficult not to admire their artifice After all this sort of raffish crime has spawned scores of anti heroes in books movies and TV series But the stories told here are all true among the most barely believable dodgy misdeeds of the past two centuries Powerful motives drive this book's extraordinary characters as they rampage on the wrong side of the law Greed is the most usual ambition is another lust sometimes plays a compelling part But many are compelled by no other cause than a perverted sense of adventure It is these various forces that link the disparate bunch of characters in this fascinating catalogue of crime If as the saying goes the Devil has the best tunes he certainly also has some of the best stories and here are some of the most startling case histories Together they're the diabolically fiendish work of History's Most Daring Rogues and Villains

Agent Zigzag Ben Macintyre, 2011 **Studies in Intelligence**, 2006

Historical Dictionary of British Intelligence Nigel West, 2014-02-18 British Intelligence is the oldest most experienced organization of its kind in the world the unseen hand behind so many world events and glamorized by James Bond Despite the change in role from a global power controlling an Empire that covered much of the world to a mere partner in the North Atlantic Treaty Organization NATO and the European Union the country's famed security and intelligence apparatus continues largely intact and recognized as punching above its weight Feared by the Soviets admired and trusted by the Central Intelligence Agency CIA British Intelligence has provided the hidden dimension to the conduct of domestic and foreign policy with the added mystique of Whitehall secrecy a shroud that for years protected the identities of the shadowy

figures who recruited the sources broke the codes and caught the spies This second edition of Historical Dictionary of the British Intelligence covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on specific operations spies and their handlers the moles and defectors top leaders and main organizations This book is an excellent access point for students researchers and anyone wanting to know more about the British Intelligence Classified Christopher R. Moran, 2013 Fascinating account of the British state's post war obsession with secrecy and the ways it prevented secret activities from becoming public **The Publishers Weekly**, 2007 *Braille Book Review*, 2009-03 *Agent Zigzag* Ben Macintyre, 2009-08-17 From the bestselling author of Operation Mincemeat now a major film SHORTLISTED FOR THE COSTA BIOGRAPHY AWARD Engrossing as any thriller Daily Telegraph Superb Meticulously researched splendidly told immensely entertaining John le Carr This is the most amazing book full of fascinating and hair raising true life adventures It would be impossible to recommend it too highly Mail on Sunday _____ One December night in 1942 a Nazi parachutist landed in a Cambridgeshire field His mission to sabotage the British war effort His name was Eddie Chapman but he would shortly become MI5's Agent Zigzag Dashing and suave courageous and unpredictable Chapman was by turns a traitor a hero a villain and a man of conscience But as his spymasters and many lovers often wondered who was the real Eddie Chapman Ben Macintyre weaves together diaries letters photographs memories and top secret MI5 files to create an exhilarating account of Britain's most sensational double agent Braille Books Library of Congress. National Library Service for the Blind and Physically Handicapped, 2011 *Agent Zigzag* Ben Macintyre, 2008-08-12 Ben Macintyre's rollicking spellbinding *Agent Zigzag* blends the spy versus spy machinations of John le Carr with the high farce of Evelyn Waugh William Grimes The New York Times Editors Choice Wildly improbable but entirely true a compellingly cinematic spy thriller with verve Entertainment Weekly ONE OF THE TEN BEST BOOKS OF THE YEAR Entertainment Weekly ONE OF THE BEST BOOKS OF THE YEAR The New York Times Book Review The Washington Post Eddie Chapman was a charming criminal a con man and a philanderer He was also one of the most remarkable double agents Britain has ever produced In 1941 after training as German spy in occupied France Chapman was parachuted into Britain with a revolver a wireless and a cyanide pill with orders from the Abwehr to blow up an airplane factory Instead he contacted M15 the British Secret service and for the next four years Chapman worked as a double agent a lone British spy at the heart of the German Secret Service Inside the traitor was a man of loyalty inside the villain was a hero The problem for Chapman his spymasters and his lovers was to know where one persona ended and the other began Based on recently declassified files *Agent Zigzag* tells Chapman's full story for the first time It's a gripping tale of loyalty love treachery espionage and the thin and shifting line between fidelity and betrayal *The Other Side of Agent Zigzag* Edgar Wollstone, One of the Second World War's most colourful individuals was double agent Eddie Chapman Edward or Eddie Chapman was an expert safecracker and career criminal from Northern England not an Aryan super saboteur He

was possibly the most daring and accomplished double agent in the world at the time unknown to everyone but the most covert agencies in the nation He was taken in by the Abwehr German military intelligence from a French prison and after arriving in Britain he switched allegiances Eddie Chapman is evidence that a superhero need not be a face masher with bulging muscles He wasn't a huge man he wasn't a murderer and he avoided conflict whenever he could He nevertheless succeeded in becoming one of the most colourful war heroes in British history by playing both the British and the Germans off one another engaging in a variety of escapades crossing a variety of redlines and generally living up to expectations for a professional spy The villain was a hero and the traitor was a man of loyalty It was difficult to determine where one character ended and the other began in Chapman This is the real life account of Agent Zigzag a spy who deceived the Nazis only out of his own sense of excitement **The Book Review Digest** ,2007 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2007 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The New York Times Index** ,2007

Uncover the mysteries within is enigmatic creation, **Zigzag The Incredible Wartime Exploits Of Double Agent Eddie Chapman** .
