Reformed Churches in South Africa and the Struggle for Justice Marry-Anne Plaatjies-Van Huffel, Robert Vosloo, 2013-11-01 The various contributions in this informative and exciting volume explore the ambivalent and complex history of Reformed faith during the years 1960 to 1990 in apartheid South Africa In the process light is shed on the role of Reformed churches in the struggle for justice freedom and dignity Parameters are simultaneously provided for defining the public role of Reformed faith in contemporary South Africa in the context of Africanisation and globalisation Prof Nico Koopman Dean of the Faculty of Theology Stellenbosch University *Een waaier van gedachten over geloven – Bibliography of Published Works by Hendrik M. Vroom* Dirk van Keulen, Anniewie L. Vroom, 2010-01-01 *As in a Mirror. John Calvin and Karl Barth on Knowing God* C. van der Kooi, 2005-01-01 What does it really mean to know God What are the grounds for knowing God what feeds that knowledge and what is really known In his search for answers to these questions in two panels the author paints for us a clear picture of what Calvin and Barth had to say about knowing God Calvin against the background of pre modern culture Barth in response to a post Kantian culture inclined to agnosticism Between them like a hinge between the two panels we find the philosophy of Kant The two epochal theological figures are placed next to each other but without this being at the expense of the power of either The study does not stop with detached historical analysis but nourishes the author's own reflection toward a systematic design *Modern Societies & the Science of Religions* Gerard Wiegers, 2018-11-13 This book brings together studies by seventeen specialists in the science of religions in which they relate the changes in their discipline to the changes which have occurred in a select number of modernising societies worldwide It

attempts to study these developments in their relation to and as conditioned and constrained by cultural change changes in educational systems technology population for example migration economic patterns politics and last but not least religious systems The essays focus on resp France Germany the Netherlands Spain the USA Turkey Israel Morocco Saudi Arabia South Africa Indonesia Japan and China Written in honour of Dr Lammert Leertouwer professor of History of Religions and the Comparative Study of Religions at Leiden University from 1979 until his retirement in 1997 the book is particularly important for all those who are interested in the religious social and political contexts of the academic Study of Religions in general and in the various countries dealt with in particular
