Unfounded is a biography surrounding the life and death of 1 year old Jeffrey Ash Hevener and all of the events that followed. It is a true account written by Danielle Hevener, Jeffrey's mother. The accounts told by Danielle are harrowing and absolutely tragic for anyone to have to go through, yet it is somehow inspiring. Unfounded is full of raw emotion, tragedy, injustice, controversy, but more importantly, about hope and faith. The names in the book have either been changed, abbreviated, or redacted entirely to protect the privacy of all those involved. As such, Danielle chose to use her children's nicknames throughout the book to protect their identities as well.

Samson's Story Gale Wilkinson, 2025-05-18. All proceeds from sales of this book go to animal rescue. Samson's Story offers an intimate look at the life of one dog and his journey as he neared death. The author shares a detailed account of Samson's sunset season to give pet parents an insightful glimpse into the last few weeks of his life, highlighting both the good and the bad. The book includes helpful tips on what to do when the end is near, how to say goodbye to your beloved pet, and numerous ways to promote processing and healing after your loss. The author sprinkles data and quotes from a 121 person survey she conducted on pet loss grief throughout, adding richness and depth to Samson's Story. The topics of grief and guilt are examined through the lens of the special animal-human bond that makes pet loss so painful. Moments of magic, synchronicity, and hope weave throughout Samson's Story, accompanied by accounts of animal communication, reincarnation, and recognizing signs sent from pets after they're gone. The book concludes with a series of letters the author wrote to Samson during the three months after he passed away, allowing readers to go through the grieving and healing process with her. Losing a cherished pet is terribly difficult, and the grief is real. Samson's Story is a heartfelt tale of pet loss, grief, love, hope, and even a bit of magic that may help you in your own healing journey. To honor Samson's memory, one hundred percent of proceeds from sales of this book will be donated to animal welfare and rescue organizations.

Susie Sue Funk, 2018-08-20. Susie is the story of a girl born into an alcoholic family with a strong will to live and overcome the neglect and abuse of parents who had no idea of how to be parents. Susie was one of nine siblings who has a story to tell. This story touches on many situations that happen in these kinds of family dynamics. The loss of a brother and sister due to neglect plays into the pain that she had to overcome. Terror from many situations was also a main force that caused a bondage that had to be broken. The stronghold of keeping family secrets is a main cause of destruction, and child molesters being one of the secrets that tears a family apart when they think that not talking about it is the glue that holds it all together. Susie carried these dynamics to the next generation to repeat the cycle of abuse, but in her neediness, she called out to the Lord for help. She invited him into her life to take over. He changed a hopeless life into a life that changed generations of destruction to restoration. Marrying very young and being thrown into motherhood and becoming the rancher's wife while her husband went to school to get an education to become a teacher in order to be able to afford being a rancher was quite an undertaking. This family story grew into quite a tale of raising three sons on the ranch. The Lord did a total makeover of the family dynamic, and the cycles of abuse came to an end. Time goes by so fast. Before they knew it, they

became grandparents and then great grandparents Susie's husband passed away after fighting off cancer for almost ten years Jesus walked through this with them also and after almost fifty four years of marriage she is now waiting for the plan the Lord has for her Plans to give her a hope and a future *Feeling All the Feelings Workbook* Brad Petersen, 2023-04-11 A journal like workbook for kids ages 6-9 with 100 activities and practices designed to foster emotional awareness and regulation and explore the importance of every feeling What does it mean to be calm Happy Grouchy Even lonely This workbook explores all those feelings and more designed with fun interactive and playful illustrations and 100 activities that guide kids through the many ups and downs of their emotions Kids can write a disappointment diary fill in their anger thermometer write their emotional observations in fluffy clouds perform a jealousy diagnosis on a page resembling a doctor's clipboard find words in an emotion based word search and more Each emotion opens with questions What is it Why is it helpful How do I recognize it prompting deeper thought about individual feelings even those that kids might consider bad In addition young readers can learn mindfulness techniques such as using their senses to ground themselves doing a body scan or sitting silently and feeling gratitude for those who give them strength With 19 emotions and tons of activities and reflections to explore kids and caregivers can look forward to hours of engaging emotional exploration *Replies [afterw.] The Oracle* ,
