Trinity A New Living Spirituality:

Trinity Joseph F. Girzone, 2004-02-17 The bestselling author of *Never Alone* and *A Portrait of Jesus* returns to reflect on his personal spirituality to guide us to a deeper understanding of the essence of God With *Trinity* Joseph Girzone guides readers to a deeper understanding of this foundational concept explaining why it is not antiquated theological dogma but a living expression of the very essence of God He offers support and clarity to those who already believe in God and invites those who profess not to believe on a journey to find an image of a God who is believable and perhaps even lovable For centuries Christians have struggled to understand the nature of God as three persons in one But with grace similar to that which allowed Saint Patrick to explain the Trinity by using a shamrock Girzone takes a step back from the most arcane explanations to offer a simple useful understanding He begins by showing the ways God was perceived by the ancient Hebrews and reveals how Jesus forever changed that image of God As he chronicles the growth from the time of Jesus and the early Church writing about the challenges Christianity faced from both within and without Girzone elucidates the mysterious ways the Trinity works in the world and especially in the Church as an extension of Jesus presence in history Writing with passion and insight he helps readers understand how the Father the Son and the Holy Spirit work within individuals as well guiding them as they struggle along the pathways of life on Earth Trinity Joseph F.

Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God's real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God

Of the many names of God commonly used in the Bible and other sacred literature none is God's real name. Every God name including YHWH reflects only one of God's many aspects such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God, hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions, both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God, both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

God, the Devil, and Harry Potter John Killinger, 2004-04-05 A Presbyterian minister defends the Harry Potter series from conservatives who denounce the books as paganism, demonstrating how they promote the values of faith and morality and profiling the main character as a Christ figure.

Faith Worth Finding JOHN ADAM, 2011-09-14 A HISTORY WORTH READING AND FAITH WORTH FINDING. THIS IS A BOOK FOR THOSE SEEKING INSPIRATION PRESENTED BY HISTORY. RELIGION AND SCIENCE ABOUT A PLAN FOR HUMANKIND. A Discussion Leader moderates Bob and Anne in all chapters herein. These characters in FaithWorth Finding are fictitious. God's plan for planet Earth can be determined from scriptures quoted from the New International Bible and the latest scientific evidence. The scientific evidence discussed was gleaned from the Further Reading references. These books discuss scientific studies produced by evidence obtained using telescopes, microscopes, and powerful computers. Scientists unraveled the human genetic code in the twenty-first century. The discussions are fictitious. The conversations are meant to establish an interest in the Holy Bible and the references for further reading. This scriptural and scientific presentation is not intended to reflect the view of any religious or scientific organization. The book is available to read or to listen to the Author's rendering.

Spiritual Being & Becoming Eric J. Kyle, 2015-03-06 It is reported that there are as many as 100 billion neurons that make up the human nervous system. This system is incredibly complex, and yet it is a fundamental part of what makes us who we are. Yet there is far more to human beings than biology. Many academic disciplines study the human condition, and there are many schools of thought within that study. We must also appreciate that the study of human nature did not begin in contemporary times. History, particularly Western Christian history, is full of texts that offer detailed explorations of the human condition. However, no consensus has yet emerged. Consensus, or not, those working towards religious and spiritual formation are tasked with pursuing the transformation of their communities. This book is an attempt to provide some of the background to support this ministerial work. It seeks not only to offer a fuller

understanding of some of the common views of human nature but also insights into how we might utilize this knowledge in our ministries ministries that strive towards the spiritual being and becoming of our world Library Journal ,2002

Spirituality Seeking Theology Roger Haight ,2014-08-21 **Selected Writings--Volume 2** Christopher Alan Anderson,2012-09-13 Four major writings on the man and woman relationship These writings reflect the maturing of the author s thoughts revealing the breadth and scope of this metaphysical embodiment Includes Mind and Spirit The Romantic Ideal The Two Forces of Creation and Dimensions in Consciousness The man and woman relationship is that which is It shows itself as reality at any point of consciousness existence creating through the two forces of male and female Male and female hold this sexual universe together securing form and reproducing it in their creative balance together Creative balance is their absolute conscious standing It is their knowledge of truth and their living of love One man and one woman Selected Writings Volume 2 Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now
