living like one with the confidence determination and resilience to face anything life throws your way Prepare to roar rise and reclaim your power **Heart of a Lamb Courage of a Lion** Boab Curran, 2013 Written by first time author Bob Curran Heart of a Lamb Courage of a Lion tells a heart breaking story of the life of the writer from early years growing up in 60 s Dundee to life as an acclaimed amateur fighter and Royal Engineer Make no mistake this is a very brave piece to have been written Whilst many have penned autobiographies I can think of none that have offered themselves so warts and all as Curran The Scotsman endured a brutal upbringing at the hands of a violent alcoholic father and suffered more of the same growing up attending tough Catholic schools Beaten to a pulp by his Dad teachers and school bullies on a regular basis the tiny lad not only suffered physical hurt but deep emotional scars that remain to this very day Around the horrendous treatment came the boxing bug as the bullied youngster joined a local boxing club aged seven and became instantly addicted Boxing firstly out of the Camperdown ABC before joining the Lochee Boys club the diminutive lad improved his confidence and well being as a young fighter weighing not even seven stone 98lbs There s a highly amusing tale about the young Curran whipping a well known politician in his time at Lochee Thirty years or so later the same politician would brag on Celebrity Big Brother about boxing out of Lochee to the writer s obvious irritation Already a handy fighter and 1970 Scottish youth champion the teenage Curran enlisted in the Army aged 16 where his boxing career flourished going 50 2 in his time there The talented Curran would box the likes of future pro British champion George Feeney in a glittering forces career which saw him crowned British bantamweight champion in the 1973 NABC championships At 18 years old Bob was offered a pro contract by Dave Boy Green s manager Andy Smith but turned it down with hopes of winning the national ABA s and competing in the Olympics Curran turned down the lucrative offer but despite his obvious talent never achieved either distinction and also never turned professional Here is where the story really sours and the book starts becoming increasingly hard to read You ll keep reading though as Bob suffers some spectacular mishaps The Scottish soldier still suffering low self esteem issues and with an under lying self loathing went completely off the rails following the break up of his brief and disastrous first marriage The marriage ended bitterly and further knocked the young man s spirits as he spiralled into depression Eventually thrown out of the forces following a destructive episode in Cyprus Curran was forced to regroup and face up to life away from his beloved 59 Independent Commando Squadron The role of an Army physical training instructor is one he had relished and loved before his marriage break up While the book details in depth Curran s days as a champion boxer and Royal Engineer the remaining thirty odd years are skipped through in minimal time The former soldier turned to drugs and heavy drinking in the years after but cleaned up after finding religion He got married again and had children but nothing is mentioned other than none wanted to be included in the biography The former fighter was forced into early retirement in 1999 following a work accident left him with a serious back injury It is an engrossing read which proves amusing sincere and fascinating The almost Jekyll and Hyde character of Curran leaps out of the pages as a well intentioned

but emotionally scarred individual who has an amazing knack of making a bad situation even worse especially with his sometimes acid tongue You will laugh and cry at the manner the story is told very honest with no bravado He remains however a man of sound morals despite his colourful life Considering he has faced a violent upbringing paedophile attacks messy relationships life in the Army all his amateur fights plus drugs and alcohol abuse Bob must be commended by dealing with all of the above and never dodges any subject no matter how the situation may reflect him on a few occasions diabolically so In closing a brutal read which deals with many subjects everyone could do with learning more about especially post traumatic stress disorder and issues with self esteem A highly entertaining book for all but the faint hearted **Soul among Lions** Harley Shaw,2022-02-08 Skilled predators prized by hunters and cursed by ranchers mountain lions are the wild soul of the American West Now a wildlife biologist brings you nose to nose with the elusive cougar Harley Shaw shares dramatic stories culled from his years of studying mountain lions separating fact from myth regarding their habits while raising serious questions about mankind s relationship with this commanding creature Most of us move into the country because we love wildlife writes Shaw But none of us will tolerate having our pets or children eaten When lion human encounters occur the lion or bear or wolf always ultimately loses Soul among Lions offers us a chance to consider the true meaning of that loss **The Lion's Roar of a Yogi-Poet** Migmar Tseten,2024-08-27 An exultant song of realization by one of Tibet s greatest yogis explained and elaborated upon by a beloved contemporary Tibetan teacher Jetsun Rinpoche Dragpa Gyaltsen 1147 1216 revered as one of Tibet s greatest yogis and one of the founding figures of the Sakya school of Tibetan Buddhism composed his Great Song of Experience as a way to distill and communicate the essence of the Buddhist path to enlightenment Shimmering with double meanings and seeming tautologies Dragpa Gyaltsen s verses resound with insights thrown out like bolts of lightning Beloved teacher Khenpo Migmar Tseten s newly updated translation of Dragpa Gyaltsen s Great Song brings these verses to life with a clarity and immediacy that belies the underlying challenge that these verses pose to our ordinary ways of thinking and being In his extensive verse by verse commentary Khenpo Migmar unravels Dragpa Gyaltsen s terse enigmatic verses with clarity and humor bringing Rinpoche s ecstatic realization and pointed insights into conversation with twenty first century concerns showing how the experiential teachings of a twelfth century Tibetan yogi can help us understand and counteract the modern pressures of wanton consumerism greed and inequality isolation and loneliness and environmental degradation Khenpo Migmar s insightful commentary opens the door to the radical vision presented by Dragpa Gyaltsen s poetic teachings showing us a view of the mind without center or limits as bright as the sun and clear and open as space In addition to Khenpo Migmar s extensive verse by verse commentary the book includes facing page English and Tibetan editions of the root text of Great Song of Experience and the laudatory poem Praise to Jetsun Rinpoche Dragpa Gyaltsen by Dragpa Gyaltsen s nephew and student the great Sakya Pandita 1182 1251 Not a Tame Lion Terry Glaspey,2022-12-06 Finalist for the best biography of the year with Christian Book Awards The life thought

and legacy of C S Lewis a Prophet for our Times One of the most brilliant minds of the twentieth century C S Lewis bridged literature philosophy and religion He taught at Oxford and Cambridge all the while communicating in a clear winsome manner that ordinary men and women could comprehend He gave us masterpieces like The Screwtape Letters The Chronicles of Narnia Mere Christianity The Problem of Pain and still more In this fascinating biographical study Not a Tame Lion author Terry Glaspey points out that Lewis life was as compelling as his work Glaspey gives readers a glimpse of the character of this extraordinarily gifted man who believed that his sharp mind and rich imagination were to be accompanied by a sense of responsibility to the wider world If Lewis were alive today he would see the fruition of trends he warned against many years ago His continued relevance is based on his understanding of the human predicament a predicament that is intellectual and moral as well as spiritual Lewis points the way out of this predicament but it s not an easy way It requires submission to God s authority moral discipline and integrity of action Lewis shows how our lives can be lived in light of eternity and can demonstrate the hope that endures even in these shadowlands

Like a Lion He Prowls Katherine J. Le Gresley,2017-01-02 Pursued by a Father whose love knows no bounds Hounded by an adversary bent on our eternal destruction Sounds like the stuff of fairy tales But what if it s not What if there really is a Father who loves us more than we could ever imagine and an adversary who would stop at nothing in his quest to destroy his opponent The truth is we are a people at war Not against flesh and blood as the Apostle Paul notes but against the evil one himself Against the one who would do anything in his power to wound the heart of our Father Yet so often we live as if that was not so Like a Lion He Prowls examines the war in which we unwittingly enlisted the day we took it upon ourselves to disobey the One who loves us and made us for Himself Its purpose is to make us aware of some of the weapons the evil one
