We Call Him Father Getting To Know The God Of The Bible:

We Call Him Father Christina Jarvie, 2014-12-15 Does God like me Do I please Him Is God mad at me Is He waiting for me to screw up so he can launch a lightning bolt at me Am I kidding myself to think I can have a close relationship with Him If you have ever asked these questions you are not alone Moses was called a friend of God by God himself yet when asked what he wanted most Moses replied show me your glory in other words show me who you are In each of us there is a longing put there by God to know who He is how he works what He thinks In We Call Him Father we will be peering deep into the person character and actions of the God of the universe answering those questions that haunt us and satisfying the longing to really know more about the One we call Father

The Modern Reader's Bible Richard Green Moulton, 1907 **A Better Understanding (Vol. 2)** G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian

churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe's trustworthy insights on the entire New Testament's New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It's the trusted reference you'll love to read *The Comprehensive Commentary on the Holy Bible: Acts-Revelation* William Jenks, 1839
