## **We Went Too Far Korean Edition:**

Korean War Atrocities United States. Congress. Senate. Committee on Government Operations, 1954      *Modern Korean Literature* Peter H. Lee, 1990-11-01 The history of Korea in the twentieth century has been a grim succession of oppressions humiliations and betrayals Yet through it all modern Korean writers have been able not only to find their own distinctive voices but to forge a national literature that speaks eloquently of the survival of the human spirit in times of crisis This anthology includes the finest translations available of representative works in all the major genres including poetry fiction essays and drama Readers will gain a clear sense of the development of twentieth century Korean literature and a vivid impression of the resilience strength and tenacity of modern Korean writers      **Asia and the Americas**, 1918      *Korean War Atrocities* United States. Congress. Senate. Committee on Government Operations. Subcommittee on Korean War Atrocities, 1954      *Asia*, 1923      *Fire for Effect!* Anthony J. Sobieski, 2005-04-29 FIRE FOR EFFECT is more than just a book about the Korean War It is the untold history of the Korean War Artillery Forward Observer told by the men themselves From the earliest days of the war in 1950 through the harrowing battles of 1951 and on into the so called stalemate period of the hill battles of 1952 and 1953 into the final climactic battles before the cease fire the Forward Observer or FO was there Korea was and is known as the Artillery War because more rounds were fired in Korea than in all of WWII and it was the job of the FO to direct these rounds onto their targets FOs are the eyes of the artillery and the importance of their job in Korea has been largely overlooked until now Serving as infantrymen but not being considered one Forward Observers lived ate and slept on the front lines ever ready to respond to an attack or defend friendly troops and positions and sometimes losing their lives doing it The awesome responsibility and firepower that was placed on a 22 or 23 year old lieutenant or sergeant was staggering and after reading these first hand accounts one can easily imagine what these young men faced on a daily basis With over 100 interviews of Forward Observers from all time periods and from all locations and battles of the war the grittiness and reality of what these servicemen went through in the Forgotten War is brought to life so that their deeds may be remembered for future generations so the battlefield known as Korea and its veterans will not be forgotten any more

*We Went as Boys...We Came Back as OLD MEN!* Sergeant Dennis Urban, 2024-10-01 The Infantryman His emotions are impenetrable yet his shoulders are soft for someone to lean on His hands are firm yet know exactly where to be If he has his arms wrapped around you you're either in the last moments of your life or the safest place you could ever be He's stubborn but will let you have your way just to see you smile He's deadly with a rifle but gentle with a child He plays poker with the devil but guards the gate of Heaven He curses like no other but is the perfect gentleman He has a thousand yard stare but when you look into his eyes it's the most comforting thing you've ever felt The US government trained him as a weapon but raised him as a lover He knows every part of his rifle and every curve of his woman There is no other man like him Whether you love him or hate him both are a privilege He could be your worst nightmare or your best friend I am a seventy five year

old former infantry soldier with eight months of hazardous duty pay under my belt I made my Sergeant E 5 stripes the hard way I earned them while patrolling inside the DMZ for over four months The patrol ambush teams that I worked with took part in a number of small firefights leading to three confirmed enemy kills and numerous wounded enemy forces The North Koreans almost always carried off their wounded and dead soldiers so the U N would have no evidence of them violating the truce agreement signed in 1953 That doesn't mean we didn't kill and wound more of them we just could not recover their bodies Our team suffered one casualty during our five months in the DMZ from August 7 1968 to January 7 1969 Our company had at least three patrol teams available each and every day but there was no communication between the teams so we had no way to know what they were running into on a daily basis While on the barrier fence positions I had one incident where I fatally wounded a North Korean infiltrator who managed to take shelter inside the fifty yard deep minefield after which he died I was involved in a vicious firefight along with a nearby foxhole as we fought against a much superior force of North Korean infiltrators which resulted in three North Korean soldiers bodies being recovered The quick response force the next morning found many pools of frozen blood used combat bandages and bloody drag trails headed back toward North Korea close to two miles away The QRF leader later told us we were up against a force as large as thirty men and we were instrumental in stopping them while other forces were sent for By the time they arrived we were all down to our last bullets for our rifles and had already put our bayonets on the end of our rifles expecting a full assault on our two positions My last firefight was while on a woodcutting detail inside the DMZ very close to the MDL or the dividing line between South and North Korea A medium sized North Korean force totally camouflaged in white managed to get within one hundred yards of our location before they were spotted and a firefight took place as we fled the scene leaving our tools and precious wood behind The next morning we returned with a full platoon of armed soldiers and found many blood pools on the ground and bloody drag marks where dead and injured soldiers were carried away to North Korea about one half mile north of the battle scene With the added guards we completed our mission to gather the much needed firewood for the troops on the line and got the hell out of there Two days later our unit rotated to our camp south of the Imjin River

tangible disturbance in the family and as happens all too frequently when such a tragedy strikes a young married couple her parents divorce not long after Her mother decides to move back to her hometown of Denver with Wendy and her younger sister Georgia just as the girls are reaching adolescence Mother realizes that she cannot survive for long as a single mom with two daughters without an income and sets her sights on well to do bachelors in the Denver social circles Drugs and alcohol come to be convenient avenues of escape for the author as she is moved in and out of a variety of schools before finally graduating from high school back in Illinois She has the opportunity to do some traveling with Georgia before the independent minded Hitchcock sisters seemingly go their separate ways In 1975 a letter from Georgia from a new age community outside of San Francisco gets Wendy s attention Sensing that Georgia may have been lured into a cult of some kind the author decides to travel to the west coast to see for herself what sister has gotten herself into Long story short Georgia s stay with the Creative Community Project aka The Unification Church ends within 3 months Wendy s is to last considerably longer Positive changes in mind body and spirit are immediately evidenced for our heroine who begins to experience a most substantial presence of and relationship with God The first seven years in the movement are spent on MFT Mobile Fundraising Teams raising money to support Rev Moon in his vision of building the Kingdom of Heaven on Earth even though Jesus very plainly said that The Kingdom of Heaven is within you Having laid the seven year foundation of fundraising to qualify to be matched engaged and blessed married by Sun Myung Moon the scene shifts to New York City and the New Yorker Hotel now the World Mission Center for The Unification Church where Rev Moon is preparing to match 1 500 men and women with unshakeable faith in him as the 2nd Coming of Christ Wendy emerges from the ceremony with her fianc Francis Buckingham and her foot soldier days are behind her As family life begins they find in one another alternative sounding boards for what they really believe and why they are doing what they re doing With the arrival of their son in 1991 the demands on their time and the little money they have for themselves become more and more unreasonable and unbearable Where is the messiah when you really need him As the storm clouds loom in the distance hope arrives in the form of a book they discover sitting on a shelf in the home of another church couple It s entitled A Course in Miracles It begins by stating Nothing real can be threatened nothing unreal exists Herein lies the Peace of God The story of the next leg of the journey is now in progress the power of Faith guided by Wisdom

**A Korean Confucian's Advice on How to Be Moral**  
Don Baker, 2023-02-28 Tasan Ch ng Yagyong 1762 1836 is one of the most creative thinkers Korea has ever produced one of the country s first Christians and a leading scholar in Confucian philosophy Born in a staunchly Neo Confucian society in his early twenties he encountered writings by Catholic missionaries in China and was fascinated However when he later learned that the Catholic Church condemned the Confucian practice of placing a spirit tablet on a family altar to honor past generations he left the small Catholic community he had helped found and ostensibly returned to the Neo Confucian fold Nevertheless the Christian ideas he studied in his youth influenced his thinking for the rest of his life stimulating him to look

at Neo Confucianism with a critical eye and suggest new solutions to problems Confucian scholars had been addressing for centuries A Korean Confucian s Advice on How to Be Moral is an annotated translation of Tasan s commentaries on the Confucian classic Zhongyong usually translated as The Doctrine of the Mean in which he applies both Confucianism and Christianity to the question of how to best develop a moral character Written as a dialogue with King Ch ngjo r 1776 1800 these texts reveal how Tasan interpreted his Confucian tradition particularly its understanding of how human beings could cultivate morality while the king s questions illustrate the mainstream Neo Confucianism Tasan was reacting against Tasan challenged the non theistic standard insisting that living a moral life is not easy and that we need to be motivated to exert the effort necessary to overcome our selfish tendencies He had abandoned his faith by the time he wrote these commentaries but influenced by Catholic works and determined to find a more effective way to live a moral life than non theistic Neo Confucianism provided Tasan constructed a Confucian philosophy of moral improvement centered on belief in God This translation helpfully annotated for context and analysis is an exploration of early Korean engagement with the West and a powerful guide to all those interested in Confucianism Christianity and morality North Korean Memoirs Mark D.
